# About Us

Incepted in Sambhal at Uttar Pradesh, M/s India Frozen Foods is known and trusted to be the most leading exporter, supplier, wholesaler, processor, retailer and trader of fresh "Halal" (in conformance with Islamic rites) meat and other meat products. The comprehensive range of products offered by us involves Buffalo Offals, Four Quarter, Hind Quarter, Tenderloins, Buffalo Meat.

The products are known for supreme quality, hygienic, fresh, contains vitamins and healthy for human body. As a 100% export oriented firm, we export our products to the far and wide nations like Kuwait, Bahrain, Oman, Iraq, Yemen, Vietnam, East & West African and CIS Countries.

The widely spread and sound infrastructure allows us to process the world class products. We are possessed with latest and advanced machineries and technologies. We easily cater the bulk requirements of the clients within the scheduled time period of 10 days. Our processing unit ensures the process of hygienic and healthy meat according to the norms laid by the Ministry of Commerce & Industry, Govt. of India and Agricultural and Processed Food Products Export Development Authority (APEDA).

We have successfully made our mark in the national as well as international market. The range of products is appreciated by large number of clients round the globe. Providing the customers with customized solutions, timely delivery, easy payments via Cheques, DD, Cash and credit card and shipment modes via air and sea, we are stepping the ladders of success on a regular basis.

## Storage & Transportation :

Supported by the voluminous storage capacity, we store 200 MT in Mumbai, 150 MT in Delhi and 100 MT in UP the processed meat products for onward shipment.

The reason behind our fast pace growth is the excellent transportation facility backed by the insulated refrigerated vehicles to the port (transit of pre-shipment). With a capacity of 16 MT/28 MT refrigerated container contained in a 20 ft./40 ft. on FCL basis as per customer specifications and requirements maintaining the temperature of -18oC, throughout the sea transit.

## Why Us?

We are engaged in the exporting, supplying, processing, wholesaling, retailing and trading of fresh "halal" meat and other meat products. We are widely appreciated and acclaimed in the national and international market for the supreme quality products.

## We are Able to Create Goodwill among the Clients For :

- High Quality Products
- Use of latest technology
- ISO 9001 : 2008
- APEDA and HACCP approved
- Customized facilities
- Experienced manpower
- Slaughtering is done in integrated unit

# Our Products

**Frozen Buffalo Rump Steak :** Buffalo Rump Steak is considered as a fantastic alternative to beef. They are largely used for making kebabs. We are an eminent Frozen Buffalo Rump Steak Manufacturer, Exporter and Supplier from Uttar Pradesh, India. We have one of the largest buffalo herds in Uttar Pradesh so great care is taken to give our buffalo the best quality of life as we only use the best cuts of meat. Our Frozen Buffalo Rump Steak is slightly dark in color and has a delectable meaty flavor. It is hygienically frozen at apt cold temperature and is thoroughly inspected for micro-organism growth or any spoilage.
