Santosh Steel

About Us

Based in Jaipur, Rajasthan, Santosh Steel was established in the year 2009 and has gathered massive respect over the years under the guidance of Mr. K. L. Sharma (Proprietor). We guarantee efficient delivery of our products all over India.

Storage Unit

We have an extensive storage facility that spans around 8000 sq yards wherein our products are stocked in a safe and suitable environment. This ensures the retention of quality, reliability and durability till the product is received at the buyers end.

Associates

We procure these products from reliable and established manufacturers and processors of the industry after carrying out intense research about their product quality and market stability. We maintain healthy associations and fair trade for hassle free service to our clients.

Delivery Policy

Working for us is a qualified and specialized team of packers and delivery experts. The team undertakes the task of making sure that the products reach the buyers in intact conditions, and well within the promised time, all over India.
