We use superior quality materials to manufacture our solar products to cater

About us

National Trading Company proudly presents itself as a firmly established manufacturing company from Jamshedpur (Jharkhand) that has proven its mettle in producing the finest range of solar products. The company is known as a successful manufacturer and supplier of premium quality solar power system, solar home lighting system, solar water pumping system, solar water heating system, solar led street light, solar inverter, solar lantern, solar torch, solar module mounting structure, and solar panel mounting structure. We also deal in different kinds of fabrication services like solar panel mounting structure fabrication services, solar rooftop panel fabrication services, and solar plant fabrication services. We use superior quality materials to manufacture our solar products to cater to the domestic and industrial needs of the buyers. We offer only quality approved products that can withstand the roughest weather conditions.

National Trading Company was incorporated back in the year 2015 when the company founder i.e. Mr. Bimal Sharma laid the foundation stone of the organization.

Quality

By offering buyer premium products, National Trading Company has become a dependable name in the market. With its continued efforts to offer high-quality products, the company has been successful in satisfying buyers across the Indian sub-continent. Due to these reasons, we have developed a strong network of buyers spreading throughout India.

Infrastructure

The company is backed up with a vast manufacturing unit, which spread over a sprawling area to facilitate the production of solar products in bulk. We have all the necessary equipment and know-how to carry out the bulk production of solar products in a smooth and efficient manner.

Our products

Commercial Solar Power System

Type	:	Commercial
Certification	:	CE Certified
Voltage	:	220V
Automatic Grade	:	Semi Automatic
Power	:	1-3kw
Driven Type	:	Solar Energy
Warranty	:	1 Year
Min. Order Quantity	:	As per requirement

Domestic Solar Power System

Type	:	Domestic
Certification	:	CE Certified
Voltage	:	220V
Automatic Grade	:	Semi Automatic
Power	:	1-3kw
Driven Type	:	Solar Energy
Warranty	:	1 Year
Min. Order Quantity	:	As per requirement

Rooftop Solar Power System

Type	:	Rooftop
Certification	:	CE Certified
Voltage	:	220V
Automatic Grade	:	Semi Automatic
Power	:	1-3kw
Driven Type	:	Solar Energy
Warranty	:	1 Year
Min. Order Quantity	:	As per requirement

Our products

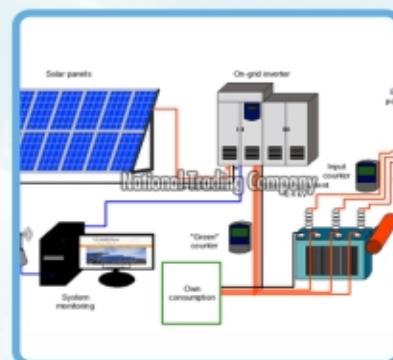

Off Grid Solar Home Lighting System

Type	:	Off Grid
Certification	:	ISI Certified
Application	:	Home
Voltage	:	220V
Features	:	Low Consumption, Stable
Performance	:	
Speciality	:	Bright And Shining
Warranty	:	1 Year
Min. Order Quantity	:	As per requirement

On Grid Solar Home Lighting System

Type	:	On Grid
Certification	:	ISI Certified
Application	:	Home
Voltage	:	220V
Features	:	Low Consumption, Stable
Performance	:	
Speciality	:	Bright And Shining
Warranty	:	1 Year
Min. Order Quantity	:	As per requirement

Solar Water Pumping System

Type	:	Automatic
Certification	:	CE Certified
Weight	:	10-100kg
Usage	:	Water Pumping
Warranty	:	1 Year
Capacity	:	2 HP to 10 HP
Flow Rate Up To	:	22 M3/h
Min. Order Quantity	:	As per requirement

Our products

Solar Water Heating System

Type	:	Automatic
Certification	:	CE Certified
Weight	:	10-100kg
Usage	:	Water Heating
Warranty	:	1 Year
Housing Material	:	Metal
Color	:	Grey
Min. Order Quantity	:	As per requirement

Solar LED Street Light

Material	:	Ceramic, PVC Plastic
Shape	:	Rectangular
Certification	:	CE Certified
Color	:	White
Output Voltage	:	5-10V
Warranty	:	1 Year
IP Rating	:	IP 65
Light Source	:	Solar Energy
Min. Order Quantity	:	As per requirement

Solar Inverter

Type	:	Automatic
Certification	:	CE Certified
Application	:	Home, Office
Output Type	:	220V
Frequency	:	50hz
Driven Type	:	Solar Energy
Warranty	:	1 Year
Min. Order Quantity	:	As per requirement

Our products

Solar Lantern

Type	:	Hanging
Material	:	Aluminium, Ceramic,
Glass	:	
Use	:	Lighting
Color	:	White
Voltage	:	220V
Appearance	:	Antique
Finishing	:	Polished
Light Source	:	Solar Energy
Min. Order Quantity	:	As per requirement

Solar Torch

Type	:	Portable
Application	:	Lighting
Color	:	White
IP Rating	:	Ip65
Light Source	:	Bulb
Flashlight Type	:	LED
Min. Order Quantity	:	As per requirement

Solar Module Mounting Structure

Material	:	Aluminium
Shape	:	Rectangular, Square
Thickness	:	5-10mm
Pattern	:	Plain
Appearance	:	Modern
Finishing	:	Polished
Features	:	Fine Finishing, High
Quality, Stylish Look	:	
Min. Order Quantity	:	As per requirement

Our products

Solar Panel Mounting Structure

Material	:	Aluminium
Shape	:	Rectangular, Square
Thickness	:	5-10mm
Pattern	:	Plain
Appearance	:	Modern
Finishing	:	Polished
Features	:	Fine Finishing, High
Quality, Stylish Look	:	
Min. Order Quantity	:	As per requirement
