

Jenish Incorporation is a reliable manufacturer, supplier, and exporter of food products. The company was founded in Surat (Gujarat) back in the year 1994.

JENISH INCORPORATION is a reliable manufacturer, supplier, and exporter of food products. The company was founded in Surat (Gujarat) back in the year 1994. We are known as a manufacturer, supplier, and exporter of jaljira powder, taste plus powder, and pachak amla. The company's core values are the provision of excellent quality food items by satisfying all customers. Moreover, we also believe in upholding the commitment and improve the production method. We are visionary and aim at the various things 20 years from now and it includes annual growth by 50%. Furthermore, we also see ourselves as a global instigator in this industry with 50 branch offices in 7 Asian countries, manufacturing/supplying/exporting 150+ products, teams of 3000 deft professionals, annual turnover of 1,414 crores, and one toll-free number in every country.

QUALITY

We are a customer-centric company and ensure that all products reach in the best condition to all our clients. It is assured that all food items like jaljira powder, taste plus powder, and pachak amla we produce, supply, and export match the quality standards. Since our products are edible, we ensure that their hygiene levels are never compromised and our production facilities never lag behind on this parameter.

MANUFACTURING UNIT

Jenish Incorporation has been successful in establishing itself in a prominent name in the food processing production. Our teams not only invest in new technologies, but also utilize innovative techniques for attaining the best. To manufacture products of superior quality it is imperative that it is churned out from well-maintained machinery. Our maintenance department conducts regular preventive and breaks down maintenance of the types of equipments and machinery to ensure their smooth and efficient functioning. Our manpower is efficacious and machines based on latest techniques.

WHY US?

We are trusted by all our clients because:

Our products are authentic & reasonable.

Every item comprises items to a level that matches the industry standards.

Prior to the supply and export, all items are tested and only approved ones are forwarded.

We do not charge any extra sum of money for our services.
