

The cargo people  
Member of WLC & WCNA

*Come to us for all your shipping & logistical needs and get all the expertise under one roof!!!*

FL Logistics, UAE was established in 2005, as a local UAE Company to conduct the business of Shipping. Main activities include: Ship broking, Ship Agency, Freight Forwarding (air/sea/land) , Customs Clearance, and Bunkering .

Right from the inception, **FL Logistics** has revolved around its commitment to give our clients an optimum level of service that incorporates a highly competitive rate structure blended with an enviable service ethic. These two key factors combined with our unquestionable integrity have enabled us to grow at a rapid pace. FL Logistics are able to cater to all types of cargoes -> Large and small. Our Freight Forwarding divisions handle all type of cargoes - air / sea /land and logistical services.

FL Logistics may be a new entrant into this area, but, the people behind the Organization are old hands in the profession having vast experience in Shipping and Shipping related activities
