SANDSTONES

Sandstone is a sedimentary rock composed of essential quartz grains cemented by siliceous, felspathic, calcareous cementing matters. The durability and strength of Sandstones depend on the cementing material. The best quality Sandstones, for building purpose, should be of fine grain and uniform texture. We provide the finest Sandstones to the clients located all over the world. Moreover, the Sandstones can be availed in varied colors such as white, grey, yellow, buff brown, etc. We are a reputed name as Sandstones Manufacturer, Supplier and Exporter in Kota, Rajasthan.

STONE WALL PANELS

Stone Wall Panels are long strips of stones arranged in pattern. The Stone Wall Panels are glued together with and without fibred mesh preferably used for outside cladding and fireplace area covering. Each set of tile contains a blend of the same base color, which adds interest as well as creating the unique natural stone feel. The designs of Stone Wall Panels can be altered depending upon the vivid application for both indoors and outdoors. We provide a huge collection of premium Stone Wall Panels known for high-quality finish. We are a well-reckoned Stone Wall Panels Manufacturer, Supplier and Exporter in Kota, Rajasthan.

MOSAIC BLOCKS

Mosaics have been called the eternal art form. We provide aesthetic Mosaic Blocks that add perfect appeal to one's interiors. The earliest applications of Mosaic Blocks are found in pebble floor coverings and as embellishments to ancient buildings. A set of individual tiles are tumbled, creating a worn antique like appearance and are grouted together in series on a fiber mesh. The Mosaic Blocks are most commonly utilized in bathrooms, wet-rooms, splash-backs and in kitchens. Mosaic Blocks can be availed at industry leading prices from us. We are a well-reckoned name as Mosaic Blocks Manufacturer, Supplier and Exporter in Kota, Rajasthan.
