# OUR PRODUCTS

## Fresh Red Chilli

We are one of the leading suppliers of Fresh Red Chilli in medium and bulk sized quantities to all our customers. Red chilli is an important ingredient used to add spice and flavour to many delicious dishes. We obtain organic chilli from renowned places that grow it using the minimum amount of chemicals and then pack it in an efficient way. The packaging can be done according to the needs of the consumer.

# OUR PRODUCTS

## Spirulina Powder

Spirulina belongs to the family of algae and is rich in proteins and various other dietary supplements including minerals and vitamins. We offer Spirulina Powder at affordable rates. We ensure that the powder we offer is extremely healthy and hygienic to be consumed. If you would like to place an order of large quantity with us, please feel free to contact our sales executives.

# OUR PRODUCTS

## Vetiver Roots

**Vetiver Roots** are widely used by farmers to help prevent soil and water erosion as they bind the soil firmly. These are also used as animal feed as they provide the required supplements and stamina for the animals. These roots also find uses in food flavouring and spicing in various cuisines. Perfumes containing these roots are widely in use. They also house many medicinal benefits.

# OUR PRODUCTS

## Omavalli Plant

**Omavalli Plant** also known as the ajwain plant is used for home remedies especially for treating cough and the common cold. It has a minty and spicy taste and strong odour. It can also be used to treat various other digestion and appetite related problems. We obtain these plants that are organically grown and package them according to the needs of our customer.

# OUR PRODUCTS

## Dried Hibiscus Flower

We supply **Dried Hibiscus Flowers** in bulk and medium sized quantities. These are used popularly to make hair grow strong and lustrous. These dried petals can also be used to make tea. Hibiscus has a lot of health as well as beauty benefits. We obtain quality flowers, dry them completely and then package them into sizeable quantities. These can be availed from us at affordable rates.

# OUR PRODUCTS

## Fresh Basil Leaves

Basil is an herb that has a variety of uses from medical to cooking. It is an integral part of the Italian cuisine. Basil leaves have excellent medical properties and can be used to treat cold, cough and stomach related issues. Fresh basil leaves add an unmatched flavour to food. These are obtained from farms that use minimum chemicals to cultivate them.

# OUR PRODUCTS

## Dried Papaya Leaves

**Dried Papaya Leaves** are used in many homemade beauty remedies including treating acne. They can be made into a tea and also can be used for their medicinal benefits for various diseases. The papaya leaves that we offer have been completely sun dried and then carefully packed into moisture proof packets that ensure a fairly reasonable shelf life. They are priced at affordable rates.

# OUR PRODUCTS

## Sothu Kathalai

Aloe Vera is known as **Sothu Kathalai** in Tamil. It is well known for curing skin and hair related problems like dandruff and pimples. It is also healthy to be consumed as it contains dietary supplements that are vital to a healthy diet. We are wholesale retailers and our primary focus is on bulk and medium sized orders. Please contact us for further details.

# OUR PRODUCTS
