**Bring Back ZEST in life!**

**About ZESTEX Capsule :**

Now a days due to change in lifestyle, like extended work hours, tight schedules etc. a person often feel physically & mentally stressed. Further irregular daily routine, lack of exercise, consumption of unhealthy food, smoking, drinking etc. results into physical debility in longer run. Advancing age, diseases like diabetes etc. also lead to physical debility. As per concept of 'Ayurveda' Sexual health of a person is affected by overall health of a person. Therefore, to improve sexual health, a person should improve & maintain his overall fitness. Therefore, based on the concept of 'Ayurveda', we have developed 'Zestex' Capsules, which is combination of highly effective, precious & rare ayurvedic herbs, having invigorating, revitalizing, rejuvenating, stimulant & tonic properties. As per the ancient text books of ayurveda, the ingredients of Zestex capsules, can be classified as follows:

**1) Vajikarak Aushadhi :** In Sanskrit Vaj means horse & Vajikarak aushadhi means drugs which makes a person as powerful as horse or in simple terms, it means drugs which helps to improve sexual performance of a person & have aphrodisiac & stimulant properties.

**2) Rasayana Aushadhi :** It means drugs having Anti aging properties. (Vaya Sthapak) or drugs which helps to maintain youthfulness of a person by keeping him fit.

**3) Viryavardhak, Viryashodhak & Shukravardhak Aushadhi :** It means drugs which improves quantity & quality of sperms.

**4) Saptadhatuvardhak, Balavardhak Aushadhi :** It means drugs which strengthens all body constituents, thus imparts power & improves stamina.

**Dose :** One capsule two times a day preferably with milk OR As directed by physician.

**Side effects :** Zestex capsule is a 100% herbal formulation & have no known side effects if taken as per prescribed dosage.

**About Zestex Oil ( For External Use Only) :**
