# ABOUT Us

Krishna Foods is a leading Manufacturer, Exporter, and Supplier of Flattened Rice, Rice Flakes, Rice Poha etc. The range of products that we offer is of supreme quality and our items are highly regarded by customers across the country. All the source materials are procured from trusted industry sources. We supply products to customers after thorough quality checks. Thus, we only offer genuine quality products. Moreover, all these products are available at the best prices. We serve thousands of customers in the country and abroad. We have generated a huge customer base in a short time of our service.

Incorporated in 2008, Krishna Foods is counted as a promising name in the region. We have been offering a wide range of products to customers since our foundation. Mr. Paras Talreja, who is the Owner, is an exceptional leader. We are based in the city of Raipur, Chattisgarh (India).

## Team

The team that we have in our firm consists of highly skilled professionals with substantial industry experience. We work primarily to achieve the complete satisfaction of customers. For us, nothing matters more than customers' approval. As a quality driven firm, we only offer qualitative products to customers.

## Network

We function across the world and our network of distribution is widespread. We have emerged as an international success in a short time. Our logistics team ensures the prompt delivery of supplies. It is our foremost goal to exceed the expectations of customers.
