# About US

Dlite Crafts is a budding Manufacturer, Exporter and Supplier of a large variety of Light & Lighting products, Candle Holders, Christmas Decorations, Perfume Bottle and Decanters, Flower Vases, Glass Knobs and Handles, Glass Tableware Accessories, Glass Toys, Glass Bowls, Glass Jar & Canisters, Oil Lamps, Glass Furniture and Bathroom Accessories. We nurture Indian tradition in the host of delicate and assiduously developed glass products. Our products lend an unmistakable style to the décor. Our offered products are the paragons of impeccable and exquisite craftsmanship, perfected over centuries.

Established in the year 2015 in Firozabad (Uttar Pradesh, India), Dlite Crafts is being owned by Mr. Ashish Agrawal. Owing to the vast industry experience and excellent management, the company is growing rapidly under the guidance of Mr. Agrawal. We slog to achieve new feats in the industry by hard work and quality products.

## INFRASTRUCTURE

We have two large factories in Firozabad (Uttar Pradesh, India) with a production capacity of 10 CTN per month. We have installed machines such as rubbing machines, grinding machines, paint spray machines, drilling machines etc. and use glass & metal raw material for the production. Ours is a customized production facility with in-house R&D facilities and testing facilities.

## QUALITY POLICY

Dlite Crafts is an ISO 9001:2008 certified company, manufacturing, exporting and supplying various goods as per the Indian quality standards. We have employed latest technology at our facility and use only optimum quality raw material in the production to ensure that all the manufactured products maintain a standard quality.

## VISION AND MISSION

To pioneer in the development of exclusive glass products; by using innovation & creativity at its best and emerge as an invincible leader by providing value added products and world class services.
