FLEXIBLE PACKAGING

With a per day capacity to produce more than 3,000,000 bags of different sizes, we are one of the leading manufacturers of BOPP bags in India. Our products give a shelf appeal to the packaged product for many well known brands globally.

LAMINATED POUCHES & ROLLS

A Comprehensive range of Laminates for food and non-food grade packaging in roll as well as pouch form, gives us a wide portfolio of products. Our products includes two ply / three ply laminates, window METPET laminates, Alu foil Laminates, stand-up pouches and many more.

We manufacture quality laminated and non laminated Zipper pouches. Our product range includes 3mm Press & Lock zipper bags, 15 mm Press & Lock Zipper bags, Standup Zipper bags with K Seal / C Seal, Slider Zipper etc. Options are also available with & without Plastic Hangers.

LABELS

Our venture into manufacturing of labels has been widely accepted. Our labels are available in different sizes for various brands. Options are available in laminates and BOPP pearlised film.

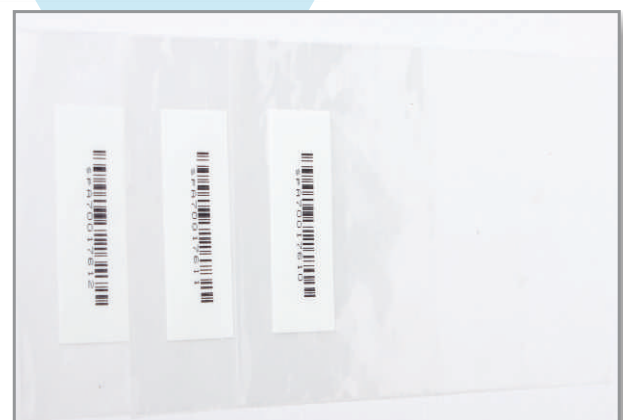

We have gained vast industry experience in the field of manufacturing and supplying a large variety of Display Hangers / Dangers. They are used by many FMCG Industry for their promotions as well as regular packaging.

SECURITY SEAL BAGS

An unprecedented growth in E-commerce, calls for a higher demand in tamper-proof packaging and for better logistic solution. We are well equipped to cater to this demand and surge with our wide and customised range of security seal bags.

In the present market scenario, where competition is increasing and consumers are becoming more aware & demanding, an innovative and high quality packaging with brilliant printing plays an important role in giving the product an edge over similarly placed competitor products.

We, at Crystal Group are of the opinion that Innovation and Quality are pivotal for success of any company. Transparency, not only in our products, but in our system and values, gives our Clients a confidence to rely on us, thus leading to long term business relationship with them. Our state-of-the-art machineries help us manufacture a wide array of Customer Oriented & Innovative products, thus providing our Valued customers Cost effective & futuristic product range. Our machinery combined with back end integration, regular training of workers and quality parameters ensures Quality of highest standard for our customers.

Crystal Group's Core values of Transparency, Innovation & Customer Satisfaction have helped us flourish in Flexible Packaging Industry over Last Two decades
