About Us

N.M. Enterprise has been successfully operational from Ahmedabad, Gujarat, since 2012. The company has been able to establish a huge client base under the guidance of Mr. Tanay A. Patel, Company Founder.

Research Team :

Our Research and Development unit helps us in diversifying our existing range of aluminium products. It is with their help and support that we are timely updated about the on-going developments in this field as well as the clients' demands. Owing to their research, we incorporate the latest products being sought by clients.

Quality Assurance :

We make available aluminium products manufactured using best grade raw material, which makes them durable and efficient to use. We have a team of vigilant quality checkers who keep a strict eye on the quality maintenance and ensure that the products are fabricated in accordance with the internationally acclaimed quality standards.

Bulk Orders Delivered :

We make relevant arrangements for the delivery of bulk orders and make sure that all the orders are duly delivered at the clients doorsteps. We ensure that high-quality packaging is utilised in order to safely deliver all the orders.

Our Products
