MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE AND DEVELOPMENT OPPORTUNITIES, THREATS, RISKS, CONCERNS AND OUTLOOK:-

The Indian economy returned to the growth path in 2014-15. The country's real gross domestic product (GDP) growth accelerated to 7.2 per cent from 6.9 per cent in 2013-14. The consumer price inflation fell to 5.9 per cent from over 10 per cent in the last two years. The fall in inflation was supported by falling oil prices, lower food and commodity prices, lower MSP hikes and the proactive measures taken by Government to lower food inflation such as curbing hoarding, offloading food stocks and restrictions on exports.

Contrary to the expectations, agricultural sector witnessed a good growth in 2014-15. However, the slow pace of reforms, lack of impetus for infrastructure projects, high interest rates and tightening of fiscal policies adversely impacted the capital goods sector. Industrial production/output was also sluggish.

The economy is expected to show a further acceleration in growth in 2015-16. Its real GDP is expected to grow by 7.8 per cent during the year. Higher growth expectations are backed by inflation which continues to be ticking lower, softening interest rates coupled with stable Indian Rupee and lower oil prices.

Plastic Division

The Plastic Business has recorded a volume growth of 10% and value growth of 12%. During the financial year 2014-15 it has achieved total turnover of ₹ 169,412 Lacs as compared to ₹ 153,263 Lacs in the previous year.

The **Furniture business** of the Company witnessed an overall top line growth of 10% in revenue terms and 7% in volume terms over the previous year. This achievement was in spite of a high volatility of crude prices which in turn impacted the raw material prices especially in the second half of the year, wherein the third quarter witnessed a reduction of nearly 30% in raw material prices followed by an equally steep increase of nearly 27% during the last quarter. The prudent pricing coupled with strong distribution network and transparent policies helped the Company to tide over this situation without inventory losses and also register a growth both in sales volume and profits. The Company continues to enjoy a market share of approx. 32%, with a lead of two times over its closest competitor.

The Company is in the process of augmenting its range of differentiated products in the 'Premium Monoblock' segment, which has registered a growth of 21% over the last year. The Hybrid chairs combining metal and plastic introduced in the last two financial years has also registered a robust growth of 35% on a year-on-year basis. The metal line facility actioned at Hosur two years back is consistently producing series of Contract Chairs with a combination of fabric/PVC with steel thereby delivering a unique buying position for the consumer/architects. The year gone by has also seen an addition of innovative niche products in the plastic storage domain.

The visibility equation of traded products has been accelerated with the help of 23 "Nilkamal Home Ideas" Stores ranging from 4,000- 8,000 sq.ft. in various 2/3 tier cities. Apart from the "Nilkamal Home Ideas" Stores, the Company also has a strong network of 40 plus depots and 1,000 plus channel partners on a pan India basis as well as 10 DODOs across various regions, who are in a way a one-stop furniture-solution provider, to our current base of approximately 600 Lacs satisfied households of moulded furniture. The strong network has helped the penetration of the traded segment to the remotest rural market thus enhancing our ability to manage complex supply chain equations. The Company has also registered a fine presence in Modern Trade segment and also entered into business partnership with various E-Commerce portals to improve the sale of various value added products.

In the long run we remain bullish on the prospect of Furniture business based on a good GDP growth which would unfold a lot of opportunities for exponential growth, as the growing middle class would need quality furniture from reliable manufacturers to meet their aspirations of modern living. The rising labour costs coupled with time poverty for the working middle class consumers, softening of interest rates and implementation of GST in the near future are also positive triggers for this change. The pan India penetration and the Company's strength of servicing customers at arm's length through depots in major cities would definitely augment our leadership strength and help the division grow at the rate of 12%-15% in revenue terms.

The major threats would be the volatility of raw material prices, global uncertainties leading to adverse currency fluctuation and non adherence of statutes by regional players who compete mainly on the strength of low quality products and unethical practices like evasion of taxes and other levies. Nevertheless, like in all industries we strongly feel that the brand strength would help to grow the market share and remain etched in the consumers' mind as "India's Favourite Furniture" in the years to come.

The year 2014-15 saw our **Material Handling Business** grow by 13% in value and volume terms. Nilkamal continues to hold the market leader position in the Material handling segment by continuing its focus on "direct selling", an ideology which has resulted in strengthening its already robust relationship with its vast industrial customer base. Our solutions have helped and are helping industries to:

- a) protect their products during storage, movement and transport,
- b) store their products efficiently, thereby saving space and
- c) improve their labour productivity during product movement and storage.

To do the above, our sales strength of 300+, 40+ regional offices and 39 warehouses spread across India continue

to be the game changers for timely delivery of high quality products, reduction in customers' transport costs and in the end, well satisfied customers.

This year too, we continued to invest in ensuring customized solutions to the growing requirements of customers.

The stupendous growth of the e-commerce industry has seen us providing customized handling, storage and movement solutions to match its quicker than the quick throughput needs.

Our three ventures Nilkamal Crates & Bins Ajman, Nilkamal Bito Storage Systems Private Limited (NBSSPL), and Cambro Nilkamal Private Limited (CNPL) grew by 11%.

As a step towards preparing ourselves for the promise that Indian economy holds in the future, this year saw us re-organising our sales network based on the product segments that we offer, to enable better market penetration, focus and sales force productivity. Another ongoing step is towards improving current assets and asset utilization.

We are hoping for a better year, next year. Our present Government's stake on "Make in India", reducing inflation by improving supply side, implementation of GST will be good for our economy and also for us.

The fluctuating raw material prices, consequent to instability in crude prices remains a major concern for sustaining profitability and sales growth in the short and medium term.

Mattress Division

During the financial year 2014-15, the division achieved revenue of ₹ 2,979 Lacs. In large Megapolis and Tier 1 & 2 cities, this growth is expected to be higher in the coming years as it becomes difficult to find people who provide customized mattresses. The organized companies are developing budget mattresses to address the need of low cost mattresses for value seekers. This should further put pressure on the unorganized trade, especially in large cities. Your Company has also recently introduced low cost mattresses by carrying out value engineering to address the budget buyers' needs.

In the last financial year your Company has rationalized prices, product offerings and sharply focused on applications of each product to strengthen market share. At the cost of small drop in sales the bottom line has improved. The Company has introduced several unique products, which have found good acceptance in the market. With the focus on sales, distribution and marketing, the Company envisages better growth in the next year.

The Company has decided to focus on market nearer to the manufacturing base in south and east to control freight cost. Your Company's distribution network and brand name is well suited for marketing this product.

Mattress requires high consultative selling; the dealer has a very high influence on converting the customer to any brand. Reaching out to such dealers, training them on the features of each of the mattress and ensuring high quality of reiteration to the customer is a challenge. First time branded mattress buyers are extremely price sensitive and seeks value.

Un-organized players still dominate the industry, evade statutory levies and taxes. The mattress industry has a low entry barrier therefore competition will continue to come up in various markets from time-to-time. However, they are restricted to their local markets.

Hotels, Hospitals and Hostels prefer high performance, high quality branded mattress with flame retardant, Anti – Bacterial fabrics.

Wellness is gaining popularity among the large urban population, it is a question of marketing a mattress in the true light and its importance of wellness, since people use a mattress for 8 hours of the day.

Lifestyle Furniture, Furnishing and Accessories Division

@home – The Mega Home Store having 19 large format retail stores spread across 13 cities covering a retail space of over 3.28 lakh sq. ft., has become a trusted brand among the consumers. The division is also consolidating its position in other channels of business such as institutional sales and e-commerce.

Financial year 2014-15 in terms of revenue was almost static (₹ 21,750 Lacs vis-à-vis previous year ₹ 21,882 Lacs). The financial year 2014-15 witnessed re-strategizing of the retail business. During the year, @home has closed operation of two stores and opened one new store, while one store was made fully operational from go-to market model. The division had focused on extensive data analytics for optimizing profitability in retail area and product portfolio.

In the financial year 2014-15, apart from the @home portal, it has also entered into business partnerships with other leading e-commerce portals. This year, the Institutional sales channel has registered 30% growth over the last year. @home has also improvised its supply chain management with the introduction of ARS (auto replenishment system). ARS has helped the division to improve its inventory turnover and streamline its display. The year also witnessed the streamlining of pricing and display mechanism at the operational level. @home had also started its outsourced captive unit for furniture to innovate more in terms of product offering and for better inventory management. The year also witnessed @home's foray into the Solid Wood furniture segment.

Growing competition from the online players in terms of range, pricing and burgeoning real-estate rates are areas of concern.

The Management believes that the overall industry growth and the entry of more organized players, especially in the online space will accelerate the shift from unorganized to organized market.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF NILKAMAL LIMITED**Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of Nilkamal Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2015, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operative effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2015 ('the Order') issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, we report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- (c) the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) on the basis of written representations received from the directors as on 31st March, 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2015 from being appointed as a director in terms of Section 164(2) of the Act; and
- (f) with respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and belief and according to the information and explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 27(a) to the Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2015.

Annexure to the Independent Auditors' Report – 31st March, 2015**(Referred to in our report of even date)**

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the management and no material discrepancies were noticed on such verification.
- (ii) (a) The inventory, except stocks lying with third parties, has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. For stocks lying with third parties at the year-end, written confirmations have been obtained.
- (b) The procedures for the physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) The Company has maintained proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been dealt with in the books of accounts.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 ('the Act'). Accordingly, paragraphs 3(iii)(a) and (b) of the Order is not applicable to the Company.
- (iv) In our opinion, and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchase of inventories and fixed assets and with regard to the sale of goods and services. We have not observed any major weakness in the internal control system during the course of our audit.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted deposits as per the directives issued by the Reserve Bank of India under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148 (1) of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees' State Insurance, Income tax, Sales tax, Value added tax, Wealth tax, Service tax, Duty of Customs, Duty of Excise and other material statutory dues have been generally regularly deposited during the year by the Company with the appropriate authorities.
- According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees' State Insurance, Income tax, Sales tax, Value added tax, Wealth tax, Service tax, Duty of Customs, Duty of Excise and other material statutory dues applicable to it were in arrears as at 31st March 2015 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of Wealth tax and Duty of Customs which have not been deposited with the appropriate authorities on account of any dispute. The particulars of dues of Income-tax, Sales tax, Value Added Tax, Service tax and Duty of Excise as at 31st March 2015 which have not been deposited on account of disputes are as follows:

Name of the statute	Nature of dues	Amount * (Rs. in Lacs)	Period to which the amount relates	Forum where the dispute is pending

Notes :-

- Leasehold land acquisition value includes ₹ 0.01 Lac (Previous Year ₹ 0.01 Lac) paid by way of subscription of shares for membership of co-operative housing society.
- Pending completion of the relevant formalities of some of the fixed assets which vested in the Company pursuant to the scheme of amalgamation, such assets continue to be in the name of the erstwhile amalgamated companies.
- The foreign exchange fluctuation on outstanding foreign currency loan has been accounted for as per Accounting Standard (AS 11) as amended vide Notification dated 29th December, 2011 with further clarification note dated 9th August, 2012 issued by the Ministry of Corporate Affairs, Government of India. Consequently, an amount of ₹ 144.27 lacs (Previous Year ₹ 474.84 lacs) is capitalized as cost of fixed assets. The Company has provided additional amount of depreciation of ₹ 185.84 lacs (Previous Year ₹ 197.01 lacs) on such costs.
- Schedule II of the Companies Act, 2013 ('the Act'), which prescribes useful lives of the fixed assets, was effective from 1st April, 2014. Consequently, based on the technical evaluation, the Company has reassessed the useful lives of its fixed assets. For certain class of assets the useful lives as prescribed in Schedule II and for other classes of assets, the useful lives are different from those prescribed in Schedule II. Consequent to the reduction in the useful lives, based on transitional provision given in Schedule II, ₹ 390.32 lacs (net of deferred tax impact of ₹ 198.95 lacs) has been adjusted against opening balance in general reserves. Had the Company continued with previously assessed useful lives, depreciation charge for the year would have been lower by ₹ 879.83 lacs.

26 Significant accounting policies**(a) Basis of preparation of Financial Statements:**

The financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Act, to the extent applicable. All figures, unless otherwise stated, are Rupees in lacs.

All the assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained the operating cycle to be 12 months.

(b) Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known /materialised. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

(c) Fixed Assets:**Tangible Fixed Assets**

Fixed assets are recorded at cost of acquisition or construction, net of tax credit wherever eligible. Cost includes all direct expenses related to acquisition or construction, including attributable borrowing cost on qualifying assets. Subsequent expenditures related to an item of tangible fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Fixed assets, which are not in use or are held for disposal, are stated at cost less accumulated depreciation or at net realisable value, whichever is lower.

Intangible Fixed Assets

Intangible assets that are acquired by the Company are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less any accumulated amortisation and any accumulated impairment loss.

Intangible assets are amortised in the Statement of Profit and Loss over the estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

(d) Impairment of Assets:

An asset is treated as impaired when the carrying cost of assets exceed its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(e) Depreciation and Amortisation:

- (i) Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except for plant and machinery and Dies and moulds which is based on technical evaluation. Management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful life for plant and machinery of 10 years and for Dies and Moulds of 6 years for continuous running is different from the useful life as prescribed under Part C of Schedule II of the Companies Act 2013;
- (ii) Cost of leasehold land is amortised over the period of lease;
- (iii) Depreciation on addition to assets or on sale /discardment of assets, is calculated pro rata from the date of such addition or upto the date of such sale/discardment, as the case may be;
- (iv) Assets like mobile phones, telephone instruments, etc. are fully depreciated in the year of purchase / acquisition;
- (v) (a) Software (Intangible assets) are amortised over their estimated useful lives on a straight line basis but not exceeding the period of 36 months.

- (b) Models, Designs and other Commercial rights (intangible assets) is amortised on a straight-line basis over a period of 60 months from the date of its put to use or based on the management's estimate of useful life over which the economic benefits will be derived.
- (vi) Individual assets except assets given on lease acquired for less than ₹ 5,000/- are depreciated entirely in the year of acquisition.

(f) Investments:

Investments that are readily realisable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long term investments. Current investments are stated at lower of cost and fair value. Long term investments are stated at cost less provision, if any, for other than temporary diminution in value.

(g) Valuation of Inventories:

Inventories of Raw Materials, Packing Materials, Stores and Spares, Work-in Progress, Traded goods and Finished goods are valued 'at cost and net realisable value' whichever is lower. Cost comprises all cost of purchase, appropriate direct production overheads and other costs incurred in bringing the inventories to their present location and condition. The excise duty in respect of the closing inventory of finished goods is included as part of the finished goods. Cost formulae used is 'Weighted Average Cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(h) Employee Benefits:

Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are recognised in the period in which the employee renders the related service.

Post Employment / Retirement Benefits

Contribution to Defined Contribution Plans such as Provident Fund, Employees' State Insurance Corporation, etc., are charged to the Statement of Profit and Loss Account as incurred.

Defined Benefit Plans – The present value of the obligation under such plans, is determined based on an actuarial valuation at the end of each year, using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognised immediately in the Statement of Profit and Loss. In the case of gratuity, which is funded, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans, to recognise the obligation on net basis.

Compensated Absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Other Long Term Employee Benefits are recognised in the same manner as Defined Benefit Plans.

(i) Derivative financial instruments and hedge accounting

The Company has adopted the principles for accounting of derivative instruments and hedge accounting as set out in Accounting Standard 30 (AS 30), "Financials Instruments: Recognition and Measurement" and to the extent it does not contradict any of the provisions of any of the notified accounting standards. The Company uses derivative financial instrument such as forward contracts and cross currency interest rate swaps to hedge its foreign currency risks and interest rate risks. Derivative financial instruments, other than those which are accounted under the provisions of Accounting Standard 11, "Foreign Currency Transactions", are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to the Statement of Profit and Loss, except for the effective portion of cash flow hedge, which is recognised in Cash Flow Hedge Reserve included in the Reserves and Surplus while any ineffective portion is recognised immediately in the statement of profit and loss.

For the purpose of hedge accounting, hedges are classified as:

- Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability.
- Cash flow hedges when hedging exposure to variability in cash flows that is either attributable to particular risk associated with a recognised asset or liability.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes identification of the hedging instrument, the hedged item or transaction, the nature of the risk being hedged and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Hedge accounting is discontinued from the last testing date when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. Cumulative gain or loss on such hedging instrument recognised in shareholder's funds is retained there until the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in shareholders' funds is transferred to Statement of Profit and Loss for the year.

(j) Foreign Exchange Transactions:

All transactions in foreign currency are recorded at the rates of exchange prevailing on the dates when the relevant transactions take place.

Monetary items in the form of current assets, current liabilities and loans in foreign currency, outstanding at the close of the year, are converted in Indian Currency at the appropriate rates of exchange prevailing on the date of the Balance Sheet. Resultant gain or loss is accounted during the year.

With effect from financial year 2011-12, exchange differences, in respect of long-term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of a depreciable capital asset, are added to or deducted from the cost of the asset and are depreciated over the balance life of the asset, and in other cases, are accumulated in a "Foreign Currency Monetary Item Translation Difference Account" in the enterprise's financial statements and amortized over the balance period of such long-term asset/liability but not beyond the accounting period ending on or before 31st March, 2020.

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

In respect of Forward Exchange contracts entered into to hedge foreign currency risks of an on-balance sheet foreign currency denominated asset or liability, the difference between the forward rate and exchange rate at the inception of the contract is recognised as income or expense over the life of the contract. Further, the exchange differences arising on such contracts are recognised as income or expense along with the exchange differences on the underlying assets / liabilities. Profit or Loss on cancellations / renewals of forward contracts is recognised during the year. In case of forward contracts against highly probable forecast transaction, mark to market loss, if any, is charged to Statement of Profit and Loss.

(k) Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(l) Recognition of Income and Expenditure:

- (i) Revenue from sale of goods is recognised on transfer of significant risks and rewards of ownership, which is generally on the dispatch of goods. Gross sales are inclusive of excise duty, sales tax, but are net of trade discounts and sales returns.
- (ii) Income from Services is recognised on completion of service.
- (iii) Revenue/Income and Cost/Expenditure are accounted on accrual as they are earned or incurred, except in case of significant uncertainties.

- (iv) Benefit on account of entitlement to import duty-free raw materials under Advance License is estimated and accounted in the year of export as an adjustment to raw material consumption, provided there is a reasonable degree of certainty with regard to its ultimate realisation.
- (v) Liability for Excise duty payable on stock in bonded warehouse at the year-end is provided for.
- (vi) Dividend income and keyman insurance policy refund is recognised when the right to receive the payment is established.
- (vii) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.
- (viii) Product warranty expenses are determined / estimated and provided for on the basis of the past experience of the Company.

(m) Assets taken on Lease:

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating lease. Lease rents under operating leases are recognised in the Statement of Profit and Loss on accrual basis.

Assets acquired on finance lease are capitalised at their fair market value on the date of acquisition and a corresponding lease liability is created for the same.

(n) Assets given on Lease:

The Company has leased certain tangible assets and such leases where the Company has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the Statement of Profit and Loss on a straight line basis over the lease term which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the Statement of Profit and Loss in the period in which they are incurred.

(o) Taxation:

Income-tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year. The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. In situations where there are carried forward losses and unabsorbed depreciation as per the Income Tax Act, 1961, of India, deferred tax assets are recognised only when there is virtual certainty supported by convincing evidence that such assets can be realised against future taxable profits. Deferred tax assets on account of other timing differences are recognised only to the extent there is reasonable certainty of its realisation. At each Balance Sheet date, the carrying amount of deferred tax assets are reviewed to reassure realization. Minimum Alternative Tax ('MAT') under the provisions of the Income-tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(p) Expenditure during Construction Period:

In case of new Projects and in case of substantial modernisation / expansion at existing units of the Company, all directly attributable expenditure specifically for the project, incurred upto the date of installation, is capitalised and added pro-rata to the cost of fixed assets.

(q) Government Grants:

Grants received against specific fixed assets are adjusted to the cost of the assets and those in the nature of contribution towards the Company's total capital outlay are credited to Capital Reserve. Revenue grants are recognized in the Statement of Profit and Loss as an adjustment to the respective expense in accordance with the related scheme and the period in which these are accrued.

(r) Provisions, Contingent Assets and Contingent Liabilities:

A provision is recognized when there is a present obligation as a result of a past event, it is probable that an outflow of economic resources will be required to settle the obligation and in respect of which reliable estimate can be made. At each Balance Sheet date, the carrying value of provisions is reviewed and adjusted to reflect the best current estimate. Contingent liabilities are not recognized but disclosed in the financial statements. Contingent assets are neither recognized nor disclosed in the financial statements.

Independent Auditors' Report to the Members of Nilkamal Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Nilkamal Limited ("the Holding Company"), and its subsidiaries (the Holding Company and its subsidiaries together referred as "the Group") and jointly controlled entities, comprising of the consolidated Balance Sheet as at 31st March, 2015, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its jointly controlled entities in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (particularly Accounting Standard 21 - Consolidated Financial Statements and Accounting Standard 27 – Financial Reporting of Interest in Joint Ventures). The respective Board of Directors of the Companies included in the Group and of its jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on the other financial information of subsidiaries and one jointly controlled entity, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its jointly controlled entities as at 31st March 2015, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other matter

We have not audited the financial statements of the other subsidiaries and joint ventures included in the consolidated financial statements, which constitute total assets of ₹ 5,317.38 lacs as at 31st March, 2015, total revenue of ₹ 8,440.59 lacs and net cash inflows amounting to ₹ 453.27 lacs for the year then ended as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and jointly controlled entities, and our report in terms of sub-section (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and jointly controlled entities, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below is not modified in respect of the above matters with respect to our reliance on the work done and the reports of other auditors.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on the comments in the auditors' reports of the Holding Company and its jointly controlled entities incorporated in India, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- (b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- (c) the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;

Annexure to the Independent Auditors' Report – 31st March, 2015

As stated in the paragraph 'Other Legal and Regulatory requirements' in our Independent Auditors' Report of even date, the following statement is based on the comments in the respective Independent Auditors' Report of the Holding Company and its jointly controlled entities incorporated in India.

- (i) (a) The Holding Company and its jointly controlled entities incorporated in India are maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
 - (b) The Holding Company and its jointly controlled entities incorporated in India have a phased programme of physical verification of its fixed assets by which fixed assets of the Holding company and one jointly controlled entity incorporated in India are verified over a period of 3 years and fixed assets of the remaining jointly controlled entity incorporated in India are verified annually. In the opinion of the respective statutory auditors, this periodicity of physical verification is reasonable having regard to the size of the Holding Company and its jointly controlled entities incorporated in India and the nature of their respective assets. In accordance with the above program, the Holding Company and its jointly controlled entities incorporated in India have verified the relevant fixed assets during the year and as informed by the management of Holding Company and its jointly controlled entities incorporated in India, no material discrepancies were noticed on such verification, which have been adjusted.
- (ii) (a) The inventory, except stocks lying with third parties, has been physically verified by the respective Managements of the Holding Company and its jointly controlled entities incorporated in India during the year. In the opinion of the respective statutory auditors of the Holding Company and its jointly controlled entities incorporated in India, the frequency of such verification is reasonable. In respect of stocks lying with third parties at the year-end, written confirmations have been obtained.
 - (b) The procedures of physical verification of inventory followed by the respective Managements of the Holding Company and its jointly controlled entities incorporated in India are reasonable and adequate in relation to the size of the respective companies and the nature of their respective businesses.
 - (c) The Holding Company and its jointly controlled entities incorporated in India are maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to the respective book records were not material and have been dealt with in the respective books of accounts.
- (iii) The Holding Company and its jointly controlled entities incorporated in India have not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained by the respective companies under Section 189 of the Act. Accordingly, paragraphs of Clause 3(iii)(a) and (b) of the said Order are not applicable to the Holding Company and its jointly controlled entities incorporated in India.
- (iv) In the opinion of the respective statutory auditors and according to the information and explanations given to the respective statutory auditors, there is an adequate internal control system commensurate with the size of the Holding Company and its jointly controlled entities incorporated in India and the nature of their respective businesses for the purchase of inventory and fixed assets and for the sale of goods and services. The respective statutory auditors have neither come across, nor have been informed of, any continuing failure to correct major weaknesses in the aforesaid internal control system.
- (v) In the opinion of the respective statutory auditors, and according to the information and explanations given to the respective statutory auditors, the Holding Company and its jointly controlled entities incorporated in India have not accepted deposits as per the directives issued by the Reserve Bank of India under the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph (v) of the Order is not applicable to the Holding Company and its jointly controlled entities incorporated in India.
- (vi) As per the Auditor's report of one of the jointly controlled entity in India, the Central Government of India has not prescribed the maintenance of cost records under Section 148 of the Act for any of the products of the Company. The respective statutory auditors have broadly reviewed the books of account maintained by the Holding Company and the remaining jointly controlled entity incorporated in India in respect of products where, pursuant to the rules made by the Central Government of India, the maintenance of cost records has been specified Section 148 of the Act. The respective statutory auditors are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. The respective statutory auditors have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to the respective statutory auditors and on the basis of the examination of the records of the Holding Company and jointly controlled entities incorporated in India by their respective statutory auditors, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees' State Insurance, Income tax, Sales tax,

Value added tax, Wealth tax, Service tax, Duty of Customs, Duty of Excise and other material statutory dues, as applicable, have been generally regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to the statutory auditors of the Holding Company and jointly controlled entities incorporated in India, no undisputed amounts payable in respect of Provident fund, Employees' State Insurance, Income tax, Sales tax, Value added tax, Wealth tax, Service tax, Duty of Customs, Duty of Excise, and other material statutory dues were in arrears as at 31st March, 2015 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to the statutory auditors of the Holding Company and jointly controlled entities incorporated in India, there are no dues of Wealth tax and Duty of Customs which have not been deposited with the appropriate authorities on account of any dispute. The particulars of dues of Income-tax, Sales tax, Value Added Tax, Service tax and Duty of Excise as at 31st March, 2015 which have not been deposited on account of disputes are as follows:

* Amount is net of payments made under dispute.

- (c) According to the information and explanations given to and on the basis of the examination by the statutory auditors of the records of the Holding Company and jointly controlled entities incorporated in India, the amounts required to be transferred by the Holding Company to Investor Education and Protection Fund in accordance with the relevant provisions of the Companies Act, 1956 (1 of 1956) and rules made thereunder has been transferred to such fund within time. The jointly controlled entities incorporated in India did not have any dues on account of Investor Education and Protection Fund.
- (viii) One of the jointly controlled entity incorporated in India, is registered for a period less than five years. Accordingly, clause (viii) of paragraph 3 of the Companies (Auditor's Report) Order, 2015, is not applicable for the year to that jointly controlled entity incorporated in India. The Holding Company and the remaining jointly controlled entity incorporated in India have no accumulated losses as at the end of the financial year and they have not incurred any cash losses in the financial year ended on that date or in the immediately

preceding financial year.

- (ix) In the opinion of the respective statutory auditors and according to the information and explanations given to the statutory auditors of the Holding Company and its jointly controlled entities incorporated in India, none of the companies have defaulted in repayment of their respective dues to their bankers and financial institutions. The Holding Company and its jointly controlled entities incorporated in India did not have any outstanding dues to any debentures holders during the year.
- (x) In the opinion of the respective statutory auditors and according to the information and explanations given to the statutory auditors of the Holding Company and its jointly controlled entities incorporated in India, the Holding Company and its jointly controlled entities incorporated in India have not given any guarantee for loans taken by others from banks or financial institutions during the year.
- (xi) One of the jointly controlled entity incorporated in India, has not obtained any term loans. In the opinion of the respective statutory auditors and according to the information and explanations given to the respective statutory auditors, the term loans taken by the Holding Company and the remaining jointly controlled entity incorporated in India have been applied for the purpose for which they were raised.
- (xii) According to the information and explanations given to the statutory auditors of the Holding Company and its jointly controlled entities incorporated in India, no instances of material fraud on or by each company have been noticed or reported during the course of audit by the statutory auditors of the Holding Company and jointly controlled entities incorporated in India.

Notes:-

- Leasehold Land acquisition value includes ₹ 0.01 Lacs (Previous Year ₹ 0.01 Lacs) paid by way of subscription of shares for membership of co-operative housing society.
- Pending completion of the relevant formalities for transfer of some of the fixed assets which vested in the Company pursuant to the scheme of arrangement, such assets continue to be in the name of the erstwhile amalgamated companies.
- The foreign exchange fluctuation on outstanding foreign currency loan has been accounted for as per Accounting Standard (AS 11) as amended wide Notification dated 29th December, 2011 with further clarification note dated 9th August, 2012 issued by the Ministry of Corporate Affairs Government of India. Consequently, an amount of ₹ 144.27 lacs (Previous year ₹ 474.84 lacs) is capitalized as cost of fixed assets. The Company has provided additional amount of depreciation of ₹ 185.84 lacs (Previous year ₹ 197.01 lacs) on such costs.
- Schedule II of the Companies Act, 2013 (the Act), which prescribes useful lives of the fixed assets, was effective from 1st April, 2014. Consequently, based on the technical evaluation, the Company has reassessed the useful lives of its fixed assets. For certain class of assets the useful lives as prescribed in Schedule II and for other classes of assets, the useful lives are different from those prescribed in Schedule II. Consequently to the reduction in the useful lives, based on transitional provision given in Schedule II, ₹ 412.43 lacs (net of deferred tax impact of ₹ 204.5 lacs) has been adjusted against opening balance in general reserves. Had the Company continued with previously assessed useful lives, depreciation charge for the year would have been lower by ₹ 890.44 lacs.

27. Significant accounting policies**(a) Principles of Consolidation:**

The consolidated financial statements comprise the financial statements of Nilkamal Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred as "the Group") and jointly controlled entities.

The consolidated financial statements relate to the Group and jointly controlled entities. The consolidated financial statements have been prepared on the following basis.

- Interest in jointly controlled entities have been accounted by using the proportionate consolidation method as per "Accounting Standard – 27 (AS-27) Financial Reporting of Interest in Joint Ventures".
- The Consolidated Financial Statements have been prepared in accordance with Accounting Standard (AS) 21 "Consolidated Financial Statements".
- The financial statements of the Group and its jointly controlled entities are combined on a line by line basis by adding together the values of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions and resultant unrealized profits or losses in accordance with accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Companies Act, 2013 ('the Act'), to the extent applicable. All figures, unless otherwise stated, are Rupees in lacs.
- The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- The financial statements of the subsidiaries and the jointly controlled entities used for the purpose of consolidation are drawn upto the same reporting date as that of the Holding Company, i.e. 31 March 2015.
- The Subsidiary Companies considered in the consolidated financial statements are :

Name of the Company	Country of Incorporation	% Ownership held as at 31st March, 2015	% Ownership held as at 31st March, 2014
Nilkamal Eswaran Plastics Private Limited	Sri Lanka	76%	76%
Nilkamal Eswaran Marketing Private Limited	Sri Lanka	76%	76%
Nilkamal Crates and Bins FZE	Ajman, UAE,	100%	100%

"Minority interest" represents the amount of equity attributable to minority shareholders at the date on which investment in the subsidiary is made and its share of movements in the equity since the date the parent subsidiary relationship comes into existence.

- The Jointly controlled entities considered in the consolidated financial statements are:

Name of the Company	Country of Incorporation	% Ownership held as at 31st March 2015	% Ownership held as at 31st March, 2014
Nilkamal Bito Storage Systems Private Limited	India	50%	50%
Cambro Nilkamal Private Limited	India	50%	50%

(b) Basis of preparation of Consolidated Financial Statements:

These consolidated financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting in accordance with the accounting principles generally accepted in India ('Indian GAAP') and comply with the Accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Act, to the extent applicable.

All the assets and liabilities have been classified as current or non current as per the Holding Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, the Group has ascertained the operating cycle to be 12 months.

(c) Exchange Translation:

All the foreign subsidiaries have been identified as non-integral operations. Accordingly, the summarised revenue and expense transactions of the Subsidiary Companies at the year-end reflected in the Consolidated Statement of Profit and Loss have been translated into Indian Rupees at average monthly exchange rate.

The assets and liabilities in the Consolidated Balance Sheet have been translated into Indian Rupees at the closing exchange rate at the year end.

The resultant translation exchange gain/loss has been disclosed as Translation Reserve under the Reserve and Surplus.

(d) Use of Estimates:

The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognised in the period in which the results are known/materialised. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

(e) Fixed Assets:

Tangible Fixed Assets

Fixed assets are recorded at cost of acquisition or construction, net of tax credit wherever eligible. Cost includes all direct expenses related to acquisition or construction, including attributable borrowing cost on qualifying assets. Subsequent expenditures related to an item of tangible fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

Fixed assets, which are not in use or are held for disposal are stated at cost less accumulated depreciation or at net realisable value, whichever is lower.

Intangible Fixed Assets

Intangible assets that are acquired by the Group and jointly controlled entities are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less any accumulated amortisation and any accumulated impairment loss.

Intangible assets are amortised in the Consolidated Statement of Profit and Loss over the estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

(f) Impairment of Assets:

An asset is treated as impaired when the carrying cost of assets exceed its recoverable value. An impairment loss is charged to the Consolidated Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

(g) Depreciation and Amortisation:

- (i) Depreciation on tangible assets is provided on the straight-line method over the useful lives of assets as prescribed under Part C of Schedule II of the Companies Act, 2013 except for plant and machinery and dies and moulds which is based on technical evaluation. Management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful life for plant and machinery of 10 years and for dies and moulds of 6 years for continuous running is different from the useful life as prescribed under Part C of Schedule II of the Companies Act 2013;
- (ii) Cost of leasehold land is amortised over the period of lease;
- (iii) Depreciation on addition to assets or on sale /discardment of assets, is calculated pro rata from the date of such addition or upto the date of such sale/discardment, as the case may be;
- (iv) Assets like mobile phones, telephone instruments, etc. are fully depreciated in the year of purchase / acquisition;
- (v) (a) Software (Intangible assets) are amortised over their estimated useful lives on a straight line basis but not exceeding the period of 36 months.
(b) Models, Designs and other Commercial rights (intangible assets) is amortised on a straight-line basis over a period of 60 months from the date of its put to use or based on the management's estimate of useful life over which the economic benefits will be derived.
- (vi) Individual assets except assets given on lease acquired for less than ₹ 5,000/- are depreciated entirely in the year of acquisition.

(h) Investments:

Investments that are readily realisable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long term investments. Current investments are stated at lower of cost and fair value. Long term investments are stated at cost less provision, if any, for other than temporary diminution in value.

(i) Valuation of Inventories:

Inventories of Raw Materials, Packing Materials, Stores and Spares, Work-in Progress, Traded goods and Finished goods are valued 'at cost and net realisable value' whichever is lower. Cost comprises all cost of purchase, appropriate direct production overheads and other costs incurred in bringing the inventories to their present location and condition. The excise duty in respect of the closing inventory of finished goods is included as part of the finished goods. Cost formulae used is 'Weighted Average Cost'. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Group and jointly controlled entities. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(j) Employee Benefits:**Short Term Employee Benefits**

All employee benefits payable within twelve months of rendering the service are recognised in the period in which the employee renders the related service.

Post Employment / Retirement Benefits

Contribution to Defined Contribution Plans such as Provident Fund, Employees' State Insurance Corporation, etc., are charged to the Consolidated Statement of Profit and Loss as incurred.

Defined Benefit Plans – The present value of the obligation under such plans, is determined based on an actuarial valuation at the end of each year, using the Projected Unit Credit Method. Actuarial gains and losses arising on such valuation are recognised immediately in the Consolidated Statement of Profit and Loss. In the case of gratuity, which is funded, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans, to recognise the obligation on net basis.

Compensate Absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Group's and jointly controlled entities liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Consolidated Statement of Profit and Loss in the year in which they arise.

Other Long Term Employee Benefits are recognised in the same manner as Defined Benefit Plans.

(k) Derivative financial instruments and hedge accounting

The Group and jointly controlled entities have adopted the principles for accounting of derivative instruments and hedge accounting as set out in Accounting Standard 30 (AS 30), "Financials Instruments: Recognition and Measurement" and to the extent it does not contradict any of the provisions of any of the notified accounting standards. The Group and jointly controlled entities use derivative financial instrument such as forward contracts and cross currency interest rate swaps to hedge its foreign currency risks and interest rate risks. Derivative financial instruments, other than those which are accounted under the provisions of Accounting Standard 11, "Foreign Currency Transactions", are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to the Consolidated Statement of Profit and Loss, except for the effective portion of cash flow hedge, which is recognised in Cash Flow Hedge Reserve included in the Reserves and Surplus while any ineffective portion is recognised immediately in the Consolidated Statement of Profit and Loss.

For the purpose of hedge accounting, hedges are classified as:

- Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability.
- Cash flow hedges when hedging exposure to variability in cash flows that is either attributable to particular risk associated with a recognised asset or liability.

At the inception of a hedge relationship, the Group and jointly controlled entities formally designates and documents the hedge relationship to which the Group and jointly controlled entities wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes identification of the hedging instrument, the hedged item or transaction, the nature of the risk being hedged and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk.

Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout

the financial reporting periods for which they were designated.

Hedge accounting is discontinued from the last testing date when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting. Cumulative gain or loss on such hedging instrument recognised in shareholder's funds is retained there until the forecasted transaction occurs. If a hedged transaction is no longer expected to occur, the net cumulative gain or loss recognised in shareholders' funds is transferred to Consolidated Statement of Profit and Loss for the year.

l) Foreign Currency Transactions:

All transactions in foreign currency, are recorded at the rates of exchange prevailing on the dates when the relevant transactions take place.

Monetary items in the form of current assets, current liabilities and loans in foreign currency, outstanding at the close of the year, are converted in Indian Currency at the appropriate rates of exchange prevailing on the date of the Balance Sheet. Resultant gain or loss is accounted during the year.

With effect from previous year 2011-12, exchange differences, in respect of long-term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous consolidated financial statements, in so far as they relate to the acquisition of a depreciable capital asset, are added to or deducted from the cost of the asset and are depreciated over the balance life of the asset, and in other cases, are accumulated in a "Foreign Currency Monetary Item Translation Difference Account" in the consolidated financial statements and amortized over the balance period of such long-term asset/liability but not beyond the accounting period ending on or before 31st March, 2020.

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

In respect of Forward Exchange contracts entered into to hedge foreign currency risks of an on-balance sheet foreign currency denominated asset or liability, the difference between the forward rate and exchange rate at the inception of the contract is recognised as income or expense over the life of the contract. Further, the exchange differences arising on such contracts are recognised as income or expense along with the exchange differences on the underlying assets / liabilities. Profit or Loss on cancellations / renewals of forward contracts is recognised during the year. In case of forward contracts against highly probable forecast transaction, mark to market loss, if any, is charged to Consolidated Statement of Profit and Loss.

(m) Borrowing Costs:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(n) Recognition of Income and Expenditure:

- (i) Revenue from sale of goods is recognised on transfer of significant risks and rewards of ownership, which is generally on the dispatch of goods. Gross sales are inclusive of excise duty, sales tax, but are net of trade discounts and sales returns.
- (ii) Income from Services is recognised on completion of service.
- (iii) Revenue/Income and Cost/Expenditure are accounted on accrual as they are earned or incurred, except in case of significant uncertainties.
- (iv) Benefit on account of entitlement to import duty-free raw materials under Advance License is estimated and accounted in the year of export as an adjustment to raw material consumption, provided there is a reasonable degree of certainty with regard to its ultimate realisation.
- (v) Liability for Excise duty payable on stock in bonded warehouse at the year-end is provided for.
- (vi) Dividend income and keyman insurance policy refund is recognised when the right to receive the payment is established.
- (vii) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the interest rate applicable.
- (viii) Product warranty expenses are determined / estimated and provided for on the basis of the past experience of the Group and jointly controlled entities.

(o) Assets taken on Lease:

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest with the lessor are recognised as operating lease. Lease rents under operating leases are recognised in the Consolidated Statement of Profit and Loss on accrual basis.

Assets acquired on finance lease are capitalised at their fair market value on the date of acquisition and a corresponding lease liability is created for the same.

(p) Assets given on Lease:

The Group and jointly controlled entities has leased certain tangible assets and such leases where the Group and jointly controlled entities has substantially retained all the risks and rewards of ownership are classified as operating leases. Lease income on such operating leases are recognised in the Consolidated Statement of Profit and Loss on a straight line basis over the lease term which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished. Initial direct costs are recognised as an expense in the Consolidated Statement of Profit and Loss in the period in which they are incurred.

(q) Taxation:

Income-tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year. The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date.

In situations where there are carried forward losses and unabsorbed depreciation as per the Income Tax Act, 1961, of India, deferred tax assets are recognised only when there is virtual certainty supported by convincing evidence that such assets can be realised against future taxable profits. Deferred tax assets on account of other timing differences are recognised only to the extent there is reasonable certainty of its realisation. At each Balance Sheet date, the carrying amount of deferred tax assets are reviewed to reassure realization. Minimum Alternative Tax ('MAT') under the provisions of the Income-tax Act, 1961 is recognised as current tax in the Consolidated Statement of Profit and Loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group and jointly controlled entities will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(r) Government Grants:

Grants received against specific fixed assets are adjusted to the cost of the assets and those in the nature of contribution towards the Group's and jointly controlled entities total capital outlay are credited to Capital Reserve. Revenue grants are recognized in the Consolidated Statement of Profit and Loss as an adjustment to the respective expense in accordance with the related scheme and the period in which these are accrued.

(s) Provisions, Contingent Assets and Contingent Liabilities:

A provision is recognized when there is a present obligation as a result of a past event, it is probable that an outflow of economic resources will be required to settle the obligation and in respect of which reliable estimate can be made. At each Balance Sheet date, the carrying value of provisions is reviewed and adjusted to reflect the best current estimate. Contingent liabilities are not recognized but disclosed in the consolidated financial statements. Contingent assets are neither recognized nor disclosed in the consolidated financial statements.

(t) Expenditure during Construction Period:

In case of new Projects and in case of substantial modernisation / expansion at existing units of the Group and jointly controlled entities, all directly attributable expenditure specifically for the project, incurred upto the date of installation, is capitalised and added pro-rata to the cost of fixed assets.

Independent Auditors' Report to the Shareholder of NILKAMAL CRATES AND BINS FZE

Report on the Financial Statements

We have audited the accompanying financial statements of **NILKAMAL CRATES AND BINS FZE**, which comprises the statement of financial position as of 31 March 2015, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and explanatory notes.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentations of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstance.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **NILKAMAL CRATES AND BINS FZE** as of 31 March 2015 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

NILKAMAL CRATES AND BINS FZE

Incorporated in the Ajman Free Zone, Emirate of Ajman, U.A.E.
Registration No. 26166

Notes to the Financial Statements
*for the year ended 31 March 2015***1. Legal status and business activity**

- a) **NILKAMAL CRATES AND BINS FZE** ("The Company") is a free zone establishment and is registered with the Ajman Free Zone, Ajman, U.A.E., under the commercial license No. 1252 issued by the Government of Ajman.
- b) The company is registered to carry out the business of general trading / import and export. During the year, the company has traded in various plastic crates, pallets, material handling equipment, racking systems, bins and related products.

2. Basis of preparation**a) Statement of compliance**

The financial statements are prepared in accordance with International Financial Reporting Standards issued or adopted by the International Accounting Standards Board (IASB) and which are effective for accounting periods beginning on or after 1 January 2014 and the implementing rules and regulations of Ajman Free Trade Zone.

b) Basis of measurement

The financial statements have been prepared on the historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange of assets.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

c) Functional and presentation currency

These financial statements are presented in U.A.E. Dirhams, which is the company's functional and presentation currency.

3. Use of estimates and judgement

The preparation of the financial statements in conformity with IFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

NILKAMAL CRATES AND BINS FZE

Notes to the Financial Statements for the year ended 31 March 2015

Judgments made in applying accounting policies

The significant judgments made in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as follows:

Impairment

At each reporting date, management conducts an assessment of fixed assets and all financial assets to determine whether there are any indications that they may be impaired. In the absence of such indications, no further action is taken. If such indications do exist, an analysis of each asset is undertaken to determine its net recoverable amount and, if this is below its carrying amount, a provision is made. In the case of loans and receivables, if an amount is deemed irrecoverable, it is written off to Statement of comprehensive income or, if previously a provision was made, it is written off against the provision.

Reversals of provisions against loans and receivables are made to the extent of the related amounts being recovered.

Key sources of estimation uncertainty and assumptions

The key assumptions concerning the future, and other key sources of estimation uncertainty and assumptions at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

Residual values of fixed assets

Residual values are assumed to be zero unless a reliable estimate of the current value can be obtained for similar assets of ages and conditions that are reasonably expected to exist at the end of the assets' estimated useful lives.

Estimated useful life of fixed assets

Management determines the estimated useful lives and depreciation charge for its property, plant and equipment at the time of addition of the assets and is reviewed on annual basis.

Inventory provision

Management regularly undertakes a review of the company's inventory, in order to assess the likely realization proceeds, taking in account purchase and replacement prices, age, likely obsolescence, the rate at which goods are being sold and the physical damage. Based on the assessment assumptions are made as to the level of provisioning required.

NILKAMAL CRATES AND BINS FZE

Notes to the Financial Statements for the year ended 31 March 2015

Doubtful debt provision

Management regularly undertakes a review of the amounts of loans and receivables owed to the company either from third parties or from related parties and assess the likelihood of non-recovery. Such assessment is based upon the age of the debts, historic recovery rates and assessed creditworthiness of the debtor. Based on the assessment assumptions are made as to the level of provisioning required.

Impairment

Assessments of net recoverable amounts of fixed assets and all financial assets other than loans and receivables are based on assumptions regarding future cash flows expected to be received from the related assets.

Staff end-of-service gratuity

The company computes the provision for the liability to staff end-of-service gratuity assuming that all employees were to leave as of the reporting date. The management is of the opinion that no significant difference would have arisen had the liability been calculated on an actuarial basis as salary inflation and discount rates are likely to have approximately equal and opposite effects.

4. Adoption of new and revised International Financial Reporting Standards

a) New and revised International Financial Reporting Standards and amendments

The following International Financial Reporting Standards, amendments thereto and interpretations issued by IASB that became effective for the current reporting year and which are applicable to the company are as follows:

- Investment Entities (Amendments to IFRS10, IFRS12 and IAS 27)
- Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32)
- Recoverable Amount Disclosures for Non- Financial Assets (Amendments to IAS 36)

During the current year, the management has adopted the above standards and amendments to the extent applicable to them from their effective dates.

Their adoption has resulted in presentation and disclosure changes only.

b) International Financial Reporting Standards issued in 2014 but not effective

IFRS 9 – Financial Instruments (July 2014 version) This replaces the earlier IFRS 9 and is the final version – The effective date of the standard is set for annual periods beginning on or after 1 January 2018 with choice for early adoption. From February 2015 entities newly applying IFRS 9 will need to apply the version published in July 2014.

NILKAMAL CRATES AND BINS FZE

Notes to the Financial Statements for the year ended 31 March 2015

International Financial Reporting Standards issued in 2014 but not effective (contd.):

IFRS14 – Regulatory Deferral Accounts – The effective date of the standard is set for annual periods beginning on or after 1 January 2016.

IFRS 15 – Revenue from contracts with customers – The effective date of the standard is set for annual periods beginning on or after 1 January 2017.

The company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

5. Significant accounting policies:

a) Depreciation of fixed assets

The cost of fixed assets is depreciated by equal annual instalments over their estimated useful lives as under:

Furniture and office equipment	3 - 10 years (<i>previous year 16-21 years</i>)
Vehicles	8 years (<i>previous year 10-11 years</i>)

Depreciation on addition is calculated on a pro-rata basis from the month of addition and on disposal to and including the month of disposal of the asset.

Note: During the year, the company has changed the estimated use lives of its' fixed assets.

b) Financial instruments

Financial assets and financial liabilities are recognized when, and only when, the company becomes a party to the contractual provisions of the instrument. Financial assets are de-recognized when, and only when, the contractual rights to receive cash flows expire or when substantially all the risks and rewards of ownership have been transferred.

Financial liabilities are de-recognized when, and only when, they are extinguished, cancelled or expired.

Financial assets

Non derivative financial assets

Initial Recognition and Measurement

Financial assets are recognized on the statement of financial position when, and only when, the company becomes a party to the contractual provisions of the financial instrument. The company determines the classification of its financial assets at initial recognition.

NILKAMAL CRATES AND BINS FZE**Notes to the Financial Statements**
*for the year ended 31 March 2015****Initial Recognition and Measurement (contd.):***

When financial assets are recognized initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

Subsequent Measurement

The subsequent measurement of non - derivative financial assets depends on their classification as follows:

The company classifies non-derivative financial assets into the following categories: financial assets at fair value through profit or loss, held-to-maturity financial assets, available-for-sale financial assets and loans and receivables.

The company has any financial assets in the nature of loans and trade receivables only.

Loans and receivables

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to the initial recognition, loans and receivables are measured at amortized cost using the effective interest method, less impairment. Gains and losses are recognized in Statement of comprehensive income when the loans and receivables are derecognized or impaired, and through the amortization process.

Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position, if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

c) Inventories

Inventories are valued at the lower of cost or net realisable value using the weighted average cost method.

Cost comprises invoice value plus applicable landing charges.

Net realizable value is based on estimated selling price less further cost expected to be incurred for disposal.

d) Trade and other receivables

Trade receivables are carried at the original invoice amount to the customers.

An estimate is made for doubtful receivables based on a periodic review of all outstanding amounts.

Bad debts are written off when identified.

NILKAMAL CRATES AND BINS FZE**Notes to the Financial Statements**
*for the year ended 31 March 2015***e) Foreign currency transactions**

Transactions in foreign currencies are converted into U.A.E. Dirhams at the rate of exchange ruling on the date of the transaction.

Assets and liabilities expressed in foreign currencies are translated into U.A.E. Dirhams at the rate of exchange ruling at the balance sheet date.

Resulting gain or loss is taken to the Statement of comprehensive income.

f) Impairment of financial assets

The company assesses at each reporting date whether there is any objective evidence that a financial asset or a group of financial assets is impaired. Financial asset together with the associated allowance are written off when there is no realistic prospect of future recovery and all collateral has been realized or has been transferred to the company.

If there is objective evidence that an impairment loss has been incurred, the amount of the loss is measured as the difference between the financial assets carrying amount and the present value of estimated future cash flows.

For financial assets carried at amortized cost, the carrying amount is reduced through the use of an allowance account and the amount of the loss is recognized in the Statement of comprehensive income.

If a write-off is later recovered, the recovery is credited to the Statement of comprehensive income.

g) Impairment of non-financial assets

The company assesses at each reporting date whether there is an indication that a non-financial asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount.

Where the carrying amount of an asset or cash generating units exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses of continuing operations are recognized in the Statement of comprehensive income in those expense categories consistent with the function of the impaired asset.

A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. Such reversal is recognized in the Statement of comprehensive income.

NILKAMAL CRATES AND BINS FZE**Notes to the Financial Statements**
*for the year ended 31 March 2015***h) Installment plans**

Future installments payable under installment plan net of finance charges, are shown under bank borrowings with the corresponding asset value recorded as fixed assets and depreciated over their estimated useful lives. Payments are apportioned between the finance element charged to Statement of comprehensive income and the capital element, which reduces the capital amount outstanding.

i) Trade and other payables

Liabilities are recognized for amounts to be paid for goods or services received, whether invoiced by the supplier or not.

j) Provisions

Provisions are recognized when the company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation, and the amount can be reliably estimated.

Provisions are measured at the present value of the expenditures expected to be required to settle the obligation at the end of the reporting period, using a rate that reflects current market assessments of the time value of money and the risks specific to the obligation.

When some or all the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of receivable can be measured reliably.

k) Staff end of service benefits

Provision is made for end-of-service gratuity payable to the staff, subject to the completion of a minimum service period, at the reporting date in accordance with the local labour laws.

l) Contingencies

Contingent liabilities are not recognized in the financial statements. They are disclosed unless the possibility of an outflow of resources embodying economic benefits is remote. A contingent asset is not recognized in the financial statements but disclosed when an inflow of economic benefits is probable.

NILKAMAL CRATES AND BINS FZE**Notes to the Financial Statements**
*for the year ended 31 March 2015***m) Leases**

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership. A lease is classified as an operating lease if it does not transfer substantially all the risks and rewards incidental to ownership and the lease payments are charged to the Statement of comprehensive income on a straight line basis over the period of lease.

The Company as lessee

Operating lease payments are recognized as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognized as an expense in the period in which they are incurred.

n) Revenue recognition**Sales of goods**

Sales represents net amount invoiced for goods delivered during the year. Sales are recognized when the significant risks and rewards of ownership of the goods have passed to the buyer.

The company recognizes revenue when the amount of revenue can be reliably measured; it is probable that future economic benefits will flow to the company; and specific criteria have been met for each of the companies' activities.

o) Borrowing costs

Finance expense comprises interest expense on vehicle installment plans is recognized in income statement.

p) Cash and cash equivalents

Cash and cash equivalents for the purpose of the cash flow statement comprise of cash and cheques on hand, bank balance in current accounts, deposits free of encumbrance with a maturity date of three months or less from the date of deposit and highly liquid investments with a maturity date of three months or less from the date of investment.

q) Interim dividend

Interim dividend is paid out of accumulated profits, when declared.

Interim dividend declared but not paid is disclosed as current liability.

Report on the Financial Statements

We have audited the accompanying financial statements of Nilkamal Eswaran Marketing (Private) Limited, ("the Company"), which comprise the statement of financial position as at March 31, 2015, and the statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

The Financial Statements of the Company for the year ended 31 March 2014 were audited by another auditor, who has expressed an unmodified opinion on the financial statements for the year ended 31 March 2014 on 09 May 2014.

Board's Responsibility for the Financial Statements

The Board of Directors ("Board") is responsible for the preparation of these financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standard for Small and Medium-Sized Entities, and for such internal control as Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Sri Lanka Accounting Standard for Small and Medium-Sized Entities. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Board, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at March 31, 2015, and of its financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-Sized Entities.

Report on Other Legal and Regulatory Requirements

As required by section 163 (2) of the Companies Act No. 07 of 2007, we state the following:

- a) The basis of opinion and scope and limitations of the audit are as stated above.
- b) In our opinion we have obtained all the information and explanations that were required for the audit and, as far as appears from our examination, proper accounting records have been kept by the Company and the financial statements of the Company, comply with the requirements of section 151 of the Companies Act.

1.2 Principal Activities and Nature of Operations

The principal activity of the Company is selling and importing of all kinds of Plastic Furniture and Crates

1.3 Parent Entity and Ultimate Parent Entity

The Company's parent entity and ultimate Parent entity are Nilkamal Eswaran Plastics (Pvt) Limited and Nilkamal Limited - India respectively.

1.4 Date of Authorization for Issue

The Financial Statements of the Company for the year ended 31st March 2015 were authorized for issue in accordance with a resolution of the Board of Directors on 06th May 2015

2. BASIS OF PREPARATION

2.1. Statement of Compliance

The financial statements of the Company comprise the statement of financial position, statement of profit or loss and comprehensive income, changes in equity and cash flows together with accounting policies and notes to the financial statements.

The financial statements of the Company have been prepared in accordance with Sri Lanka Accounting Standard for Small and Medium Sized – Entities (SLFRS for SMEs), issued by the Institute of Chartered Accountants of Sri Lanka (ICASL) and comply with the requirements of Companies Act, No. 7 of 2007 and amendments thereto.

2.2 Basis of Measurement

The Financial Statements have been prepared on the historical cost basis and applied consistently with no adjustments being made for inflationary factors affecting the financial statements, except for the following material items in the statement of financial position:

- Liability for employee benefits is recognized as the present value of the defined benefit obligation less the net total of the plan assets, plus unrecognized actuarial gains, less unrecognized past service cost and unrecognized actuarial losses.

These Financial Statements have been prepared on the basis that the Company would continue as a going concern for the foreseeable future.

2.3 Comparative Figures

Where necessary, comparative figures have been rearranged to conform with the current year's presentation

2.4 Functional and Presentation Currency

All values presented in the financial statements are in Sri Lankan Rupees (Rs.) unless otherwise indicated.

2.5 Use of Estimate and Judgment

The preparation of the financial statements are in conformity with SLFRS for SMEs requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

Information about critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the Financial Statements is included in the following notes:

- Current taxation (Note 3.2)
- Measurement of Employee benefits (Note 3.7)
- Provisions and contingencies (Note 3.10)

2.6 Materiality and Aggregation

Each material class of similar items is presented separately in the financial statements. Items of a dissimilar nature or function are presented separately unless they are immaterial.

3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these Financial Statements.

3.1. Foreign Currency Transactions

Transactions in foreign currencies are translated to the functional currency at the exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date.

The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortised cost in foreign currency translated at the exchange rate at the end of the reporting period.

NILKAMAL ESWARAN MARKETING (PRIVATE) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

Foreign currency differences arising on retranslation are recognised in profit or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

3.2. Income Tax Expense

Income tax expenses comprise of current & deferred tax expenses recognized in the Income Statement.

(a) Current Taxation

The Company's liability to taxation has been computed in accordance with the provisions of the Inland Revenue Act No 10 of 2006 and amendments thereto.

3.3. Events occurring after the reporting date

The materiality of the events occurring after the reporting date have been considered and appropriate adjustments or disclosures have been made in the financial statements where necessary.

ASSETS AND BASES OF THEIR VALUATION

3.4. Inventories

Inventories are valued at lower of cost or net realizable value, after making due allowance for obsolete and slow moving items. Net realizable value is the price at which inventories can be sold in the normal course of business after allowing for cost of realization and / or cost of conversion from their existing state to saleable condition.

Finished Goods - At purchase cost on first in first out basis
Goods in Transit - At purchase cost

3.5. Financial Assets

3.5.1. Non-derivative financial assets

The Company initially recognises loans and receivables and deposits on the date that they are originated. All other financial assets (including assets designated at fair value through profit or loss) are recognised initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset or liability.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

(a) Loans and receivables

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition loans and receivables are measured at amortized cost using the effective interest method, less any impairment losses.

Interest income is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

Loans and receivables comprise trade and other receivables and cash and cash equivalents.

Trade and other receivables

Trade and other receivables and due from Related Parties are initially recognized at costs. Trade receivable and other receivables and due from Related Parties are stated at the amounts they are estimated to realize net of impairment for bad and doubtful receivables.

If receivables extend beyond the normal credit terms, those receivables are measured at amortized cost using the effective interest rate at the end of each reporting period.

Cash and Cash Equivalents

Cash and cash equivalents are cash in hand, demand deposits and short-term highly liquid investments, readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand and deposits in banks net of outstanding bank overdrafts. Investments with short maturities i.e. three months or less from the date of acquisition are also treated as cash equivalents.

3.6. Impairment of Assets

At each reporting date, financial and non-financial assets not carried at fair value, are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount (selling price less costs to complete and sell, in the case of inventories), but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

LIABILITIES AND PROVISIONS

Liabilities classified as Current Liabilities on the Statement of financial position are those obligations payable on demand or within one year from the statement of financial position. Items classified as non current liabilities are those obligations, which expire beyond a period of one year from the Statement of financial position date.

All known liabilities have been accounted for in preparing the financial statements. Provisions and liabilities are recognized when the Company has a legal or constructive obligation as a result of past events and it is probable that an outflow of economic benefits will be required to settle the obligation.

3.7. Employee Benefits

(a) Defined Contribution Plan - Employees' Provident Fund & Employees' Trust Fund

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company contributes 12% and 3% of gross emoluments of employees as Provident Fund and Trust Fund contribution respectively.

(b) Defined Benefit Plans– Retirement Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

Provision has been made for retirement gratuities from the first year of service for all employees, in conformity with SLFRS for SMEs (Section 28- Employee Benefits). The computation of the provision is based only on Gratuity Act requirement. However, under the Payment of Gratuity Act No. 12 of 1983, the liability to an employee arises only on completion of 5 years of continued service.

The liability is not externally funded nor actuarially valued.

3.8. Non-derivative financial liabilities

The Company initially recognises debt securities issued and subordinated liabilities on the date that they are originated. All other financial liabilities (including liabilities designated at fair value through profit or loss) are recognised initially on the trade date at which the Company becomes a party to the contractual provisions of the instrument.

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The non – derivative financial liabilities comprises only with trade and other payables

Such financial liabilities are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortised cost using the effective interest method.

3.9. Provisions and liabilities

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount rate is recognised as a finance cost.

3.10. Contingencies and Capital Commitments

All material capital commitments and contingencies, which exist as at the reporting date, are disclosed in the respective notes to the Financial Statements.

STATEMENT OF PROFIT OR LOSS AND OTHER COMPREHENSIVE INCOME

3.11. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and that revenue and associated costs incurred or to be incurred can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, net of trade discounts and sales taxes.

The following specific criteria are used for the purpose of recognition of revenue.

(a) Sale of Goods

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates.

Revenue is recognized when significant risks and rewards of ownership have been transferred to the customers,

Usually on dispatch of the goods.

(b) Others

Other income is recognized on an accrual basis.

Net gains and losses of a revenue nature on the disposal of property, plant & equipment and other non current assets including investments are accounted for in the Statement of Comprehensive Income, having deducted from proceeds on disposal, the carrying amount of the assets and related selling expenses.

Gains and losses arising from incidental activities to main revenue generating activities and those arising from a group of similar transactions which are not material, are aggregated, reported and presented on a net basis.

3.12. Expenditure Recognition

(a) Operating Expenses

Expenses are recognised in the Statement of Comprehensive Income on the basis of a direct association between the cost incurred and the earning specific items of income. All expenditure incurred in the running of the business and in maintaining the property, plant and equipment in a state of efficiency has been charged to the statement of profit or loss.

(b) Finance income and expense

Interest income and expenses are recognised in profit or loss using the effective interest method. The effective interest rate is the rate that exactly discounts the estimated future cash receipts or payments through out the expected life of the financial asset or liabilities (or, where appropriate, a shorter period) to the carrying amount of the financial asset or liabilities. When calculating the effective interest rate, the Company estimates future cash flows considering all contractual terms of the financial instrument, but not future credit losses.

The calculation of the effective interest rate includes all transaction costs and fees and points paid or received that are an integral part of the effective interest rate. Transaction costs include incremental costs that are directly attributable to the acquisition or issue of a financial asset or liability.

(c) Borrowing cost

All borrowing costs are recognised as an expense in the period in which they are incurred.

3.13 Related Party Transactions

Disclosures has been made in respect of the transactions in which one party has the liability to control or exercise significant influence over the financial and operating decisions/policies of the other, irrespective of a price being charged.

4. Statement of Cash Flows

The Statement of Cash Flows has been prepared using the Indirect Method.

For cash flow purposes, cash and cash equivalents are presented net of bank overdrafts.

18. Financial risk management

Overview

The Company has exposure to the following risks from its use of financial instruments:

1. Credit risk
2. Liquidity risk
3. Market risk
4. Operational risk.

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital. Further quantitative disclosures are included throughout this financial statement.

Risk management framework

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board is responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

18.1. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, related parties, short term investments and cash and cash equivalents.

The company trades with own distributors with bank guarantee and trades maximum up to the guarantee value. In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to bad debts is not significant. Cash and cash equivalents are held with banks which have good ratings based on Fitch ratings.

18.1.1 Credit risk exposure and managing the risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was as follows;

As at 31 March

	2015	2014
	Rs.	Rs.
Trade and other receivables	10,274,463	7,103,115

18.3 Market Risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

18.4 Currency Risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The Company is exposed to foreign currency risk arising mainly from foreign currency denominated in a currency other than the respective functional currencies of Company. The currencies in which these transactions primarily are denominated in USD.

The Company's exposure to foreign currency risk is as follows;

<i>As at 31 March 2015</i>	USD	Converted to Rs.
Cash & Cash Equivalents	-	-
Trade Payable	-	-
	<u>-</u>	<u>-</u>

In respect of other monetary assets and liabilities denominated in foreign currencies, the Company ensures that its net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates when necessary to address short-term imbalances.

22.5 Interest Rate Risk

Interest rate risk is the risk to the Company's earnings and economic value of equity ("EVE") arising from adverse movements in interest rates.

Management of Interest Rate Risk

The Company's investment decisions in interest bearing assets are controlled by the higher level authorities appointed by the Board of Directors and they are advised and guided only to invest in secured and regulated investment sources.

INDEPENDENT AUDITORS' REPORT

TO THE SHAREHOLDERS OF NILKAMAL ESWARAN PLASTICS (PRIVATE) LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of Nilkamal Eswaran Plastics (Private) Limited, ("the Company"), and the consolidated financial statements of the Company and its subsidiary ("Group"), which comprise the statement of financial position as at March 31, 2015, and the statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

The Financial Statements of the Group for the year ended 31 March 2014 were audited by another auditor who has expressed an unmodified opinion on the financial statements for the year ended 31 March 2014 on 09 May 2014.

Board's Responsibility for the Financial Statements

The Board of Directors ("Board") is responsible for the preparation of these financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standard for Small and Medium-Sized Entities, and for such internal control as Board determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Sri Lanka Accounting Standard for Small and Medium-Sized Entities. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Board, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements give a true and fair view of the financial position of the Group as at March 31, 2015, and of its financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for small and medium-sized entities.

Report on Other Legal and Regulatory Requirements

As required by section 163 (2) of the Companies Act No. 07 of 2007, we state the following:

- a) The basis of opinion and scope and limitations of the audit are as stated above
- b) In our opinion:
 - we have obtained all the information and explanations that were required for the audit and, as far as appears from our examination, proper accounting records have been kept by the Company,
 - The financial statements of the Company give a true and fair view of its financial position as at March 31, 2015, and of its financial performance and cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-Sized Entities.
 - The financial statements of the Company, and the Group comply with the requirements of sections 151 and 153 of the Companies Act No. 07 of 2007.

The consolidated Financial Statements of the Group and the separate financial statements of the Company for the year ended 31st March 2015 were authorized for issue in accordance with a resolution of the Board of Directors on 06th May 2015

2. BASIS OF PREPARATION

2.1. Statement of Compliance

The Consolidated Financial Statements of the Group and the separate Financial Statements of the Company, which comprise the statement of financial position, statement of profit or loss and comprehensive income, changes in equity and cash flows together with accounting policies and notes to the financial statements of the Company and Group as at 31st March 2015 and for the year then ended have been prepared in accordance with Sri Lanka Accounting Standard for Small and Medium Sized – Entities (SLFRS for

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED

NOTES TO THE FINANCIAL STATEMENTS

SMEs), issued by the Institute of Chartered Accountants of Sri Lanka (ICASL) and comply with the requirements of Companies Act, No. 7 of 2007 and amendments thereto.

2.2 Basis of Measurement

The Consolidated Financial Statements have been prepared on the historical cost basis and applied consistently with no adjustments being made for inflationary factors affecting the financial statements, except for the following material items in the statement of financial position:

- Liability for employee benefits is recognized based on the Gratuity Act.

These Consolidated Financial Statements have been prepared on the basis that the Company / Group would continue as a going concern for the foreseeable future.

2.3 Comparative Figures

Where necessary, comparative figures have been rearranged to conform with the current year's presentation

2.4 Functional and Presentation Currency

All values presented in the financial statements are in Sri Lankan Rupees (Rs.) unless otherwise indicated.

2.5 Use of Estimate and Judgment

The preparation of the financial statements in conformity with SLFRS for SMEs requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

Information about critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the Financial Statements is included in the following notes:

- Impairment of assets (Note 3.10)
- Current taxation (Note 3.3)
- Deferred taxation and utilization of tax losses (Note 3.3)
- Measurement of Employee benefits (Note 3.11)
- Provisions and contingencies (Note 3.13 and Note 3.14)

2.6 Materiality and Aggregation

Each material class of similar items is presented separately in the financial statements. Items of a dissimilar nature or function are presented separately unless they are immaterial.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1. Basis of Consolidation

The accounting policies set out below have been applied consistently to all periods presented in these Financial Statements, unless otherwise indicated. The accounting policies have been applied consistently by the Group.

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED

NOTES TO THE FINANCIAL STATEMENTS

Subsidiaries

Subsidiaries are those enterprises controlled by the Company. Control exists when the Company has the power, directly or indirectly, to govern the financial and operating policies of that enterprise so as to obtain benefits from its activities. In assessing control, potential voting rights that presently are exercisable are taken into account. The Financial Statements of subsidiary is included in the Consolidated Financial Statements from the date that control effectively commences until the date that control effectively ceases. Accounting policies of subsidiaries have been changed when necessary to align them with the policies adopted by the Company.

All companies in the Group have a common financial year, which ends on 31st March.

Loss of Control

Upon the loss of control, the Group derecognises the assets and liabilities of the subsidiary, any non-controlling interests and the other components of equity related to the subsidiary. Any surplus or deficit arising on the loss of control is recognised in profit or loss. If the Group retains any interest in the previous subsidiary, then such interest is measured at fair value at the date that control is lost. Subsequently it is accounted for as an equity-accounted investee or in accordance with the Group's Accounting Policy for financial assets (see Accounting Policy 3.8 below) depending on the level of influence retained

Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealized gains and losses or income and expenses arising from the intra-group transactions are eliminated in preparing the Consolidated Financial Statements.

Accounting for investment in subsidiaries

When separated financial statements are prepared, investments in subsidiaries are accounted for using the cost method. Investments in subsidiaries are stated in the Company's balance sheet at cost less accumulated impairment losses.

3.2. Foreign Currency Transactions

Transactions in foreign currencies are translated to the functional currency at the exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date.

The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortized cost in foreign currency translated at the exchange rate at the end of the reporting period.

Foreign currency differences arising on retranslation are recognised in profit or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

3.3. Income Tax Expense

Income tax expenses comprise of current & deferred tax expenses recognized in the Income Statement.

(a) Current Taxation

The Company's liability to taxation has been computed in accordance with the provisions of the Inland Revenue Act No 10 of 2006 and amendments thereto.

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

(b) Deferred Taxation

Deferred tax is provided on the liability method for all temporary differences as at the reporting date between the tax bases of assets and liabilities and their carrying amounts of assets and liabilities for financial reporting purposes. The balance in the deferred taxation account represents income tax applicable to the difference between the written down values for tax purpose of the assets on which tax depreciation has been claimed and the net book value of such asset, offset by the provision for employee benefit which is deductible for tax purpose only on payment.

Deferred tax assets, including those related to temporary tax effect of income tax losses and credits available to be carried forward are recognized only to the extent that it is probable that future taxable profit will be available against which the assets can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

3.4. Events occurring after the reporting date

The materiality of the events occurring after the reporting date have been considered and appropriate adjustments to or disclosure have been made in the financial statements where necessary.

ASSETS AND BASES OF THEIR VALUATION

3.5. Property, Plant and Equipment

a) Cost and Valuation

Property, plant & equipment are carried at cost less accumulated depreciation, less accumulated impairment losses if any.

Cost includes expenditure that is directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and direct labor, any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Where an item of property, plant and equipment comprises major components having different useful lives, they are accounted for as separate items of property, plant and equipment.

Items of property, plant and equipment are derecognized upon disposal or when no future economic benefits are expected from its use. Any gain or losses arising on de-recognition of the asset is included in the statement of profit or loss in the year the asset is derecognized.

b) Subsequent Cost

Expenditure incurred to replace a component of an item of property, plant and equipment that is accounted for separately, including major inspection and overhaul costs, is capitalised. Other subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the item of property, plant and equipment. All other expenditure is recognized in the statement of profit or loss as an expense as incurred.

c) Depreciation

The provision for depreciation is calculated by using straight line method on all property, plant and equipment in order to write off such amounts over the following estimated useful economic lives by equal installments.

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

	2015	2014
Buildings on Freehold Land	20 years	20 years
Plant and Machinery	9.67 years	9.67 years
Moulds	6.17 years	6.17 years
Office Equipment	5 years	5 years
Computer Equipment and Software	5 years	5 years
Furniture and Fittings	10 years	10 years
Motor Vehicles	5 years	5 years

Depreciation of an asset begins when it is available for use, i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale (or included in a disposal group that is classified as held for sale) and the date that the asset is derecognized.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. Depreciation of an asset begins when it is available for use whereas depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale and the date that the asset is derecognized.

d) Impairment of Property Plant and Equipment

The carrying value of Property Plant and Equipment is reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable. If any such indication exists and where the carrying value exceed the estimated recoverable amount the assets are written down to their recoverable amount. Impairment losses are recognized in the statement of profit or loss unless it reverses a previous revaluation surplus for the same asset.

3.6. Intangible Assets

All computer software costs incurred, licensed for use by the Group/Company, which are not integrally related to associate hardware, and can be clearly identified, reliably measured and it is probable that they will lead to future economic benefits are included in the statement of financial position under the category intangible assets and carried at cost less accumulated amortization and accumulated impairment losses if any.

a) Subsequent Expenditure

Expenditure incurred on intangible assets is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is expensed as incurred.

b) Amortization

Intangible assets are amortized on a straight line basis over a period of 5 years except goodwill in the statement of profit or loss from the date when the asset is available for use, over the best estimate of its useful economic life.

3.7. Leased assets

Leased in terms of which the Group/Company assumes substantially all of the risks and rewards of ownership are classified as finance leases. On initial recognition, the leased asset is measured at an amount

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

equal to the lower of its fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to property, plant and equipment.

Other leases are operating leases and are not recognized in the Group/Company's statement of financial position.

3.8. Inventories

Inventories are valued at lower of cost or net realizable value, after making due allowance for obsolete and slow moving items. Net realizable value is the price at which inventories can be sold in the normal course of business after allowing for cost of realization and / or cost of conversion from their existing state to saleable condition.

Raw Materials	- At actual cost on first-in first-out (FIFO) basis
Finished Goods	- At the cost of direct materials, direct labour and an appropriate proportion of fixed production overheads based on normal operating capacity
Consumables and Spares	- At purchase cost on first in first out basis
Goods in Transit	- At purchase cost

3.9. Financial Assets

3.9.1. Non-derivative financial assets

The Group initially recognises loans and receivables and deposits on the date that they are originated. All other financial assets (including assets designated at fair value through profit or loss) are recognised initially on the trade date at which the Group becomes a party to the contractual provisions of the instrument.

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Group is recognised as a separate asset or liability.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

A) Loans and receivables

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition loans and receivables are measured at amortized cost using the effective interest method, less any impairment losses.

Loans and receivables comprise trade and other receivables, including service concession receivables.

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

Trade and other receivables

Trade and other receivables and due from Related Parties are initially recognized at costs. Trade receivable and other receivables are stated at the amounts they are estimated to realize net of impairment for bad and doubtful receivables.

If receivables extend beyond the normal credit terms, those receivables are measured at amortized cost using the effective interest rate at the end of each reporting period.

Cash and Cash Equivalents

Cash and cash equivalents are cash in hand, demand deposits and short-term highly liquid investments, readily convertible to known amounts of cash and subject to insignificant risk of changes in value.

For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand and deposits in banks net of outstanding bank overdrafts. Investments with short maturities i.e. three months or less from the date of acquisition are also treated as cash equivalents.

3.10. Impairment of Assets

At each reporting date, financial and non-financial assets not carried at fair value, are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount (selling price less costs to complete and sell, in the case of inventories), but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

LIABILITIES AND PROVISIONS

Liabilities classified as Current Liabilities on the Statement of financial position are those obligations payable on demand or within one year from the statement of financial position. Items classified as non-current liabilities are those obligations, which expire beyond a period of one year from the Statement of financial position date.

All known liabilities have been accounted for in preparing the financial statements. Provision and liabilities are recognized when the Group has a legal or constructive obligation as a result of past events and it is probable that an outflow of economic benefits will be required to settle the obligation.

3.11. Employee benefits

(a) Defined Contribution Plan - Employees' Provident Fund & Employees' Trust Fund

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group contributes 12% and 3% of gross emoluments of employees as Provident Fund and Trust Fund contribution respectively.

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

(b) Defined Benefit Plans– Retirement Gratuity

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

Provision has been made for retirement gratuities from the first year of service for all employees, in conformity with SLFRS for SMEs (Section 28- Employee Benefits). The computation of the provision is based only on Gratuity Act requirement. However, under the Payment of Gratuity Act No. 12 of 1983, the liability to an employee arises only on completion of 5 years of continued service.

The liability is not externally funded nor actuarially valued.

3.12. Non-derivative financial liabilities

The Group initially recognises debt securities issued and subordinated liabilities on the date that they are originated. All other financial liabilities (including liabilities designated at fair value through profit or loss) are recognised initially on the trade date at which the Group becomes a party to the contractual provisions of the instrument.

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

Financial assets and liabilities are offset and the net amount presented in the statement of financial position when, and only when, the Group has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

The Group has the following non-derivative financial liabilities: loans and borrowings, bank overdrafts, and trade and other payables.

Such financial liabilities are recognised initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition these financial liabilities are measured at amortised cost using the effective interest method.

3.13. Provisions and liabilities

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

Trade payables

Trade payables are obligations on the basis of normal credit terms and do not bear interest. Trade payables denominated in a foreign currency are translated into Sri Lankan rupees using the exchange rate at the reporting date. Foreign exchange gains or losses are included in other income or other expenses.

3.14. Contingencies and Capital Commitments

All material capital commitments and contingencies, which exist as at the reporting date, are disclosed in the respective notes to the Financial Statements.

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

STATEMENT OF PROFIT OR LOSS AND OTHER COMPREHENSIVE INCOME

3.15. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and that revenue and associated costs incurred or to be incurred can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, net of trade discounts and sales taxes and after eliminating sales within the Group.

The following specific criteria are used for the purpose of recognition of revenue.

(a) Sale of Goods

Revenue from the sale of goods in the course of ordinary activities is measured at the fair value of the consideration received or receivable, net of returns, trade discounts and volume rebates.

Revenue from sale of goods is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer normally at the point of good dispatch; with the Company retaining neither continuing managerial involvement to the degree usually associated with ownership, nor effective control over the goods sold.

(b) Others

Other income is recognized on an accrual basis.

Net gains and losses of a revenue nature on the disposal of property, plant & equipment and other non-current assets including investments are accounted for in the Statement of Comprehensive Income, having deducted from proceeds on disposal, the carrying amount of the assets and related selling expenses.

Gains and losses arising from incidental activities to main revenue generating activities and those arising from a group of similar transactions which are not material, are aggregated, reported and presented on a net basis.

3.16. Expenditure Recognition

(a) Operating Expenses

Expenses are recognised in the Statement of Comprehensive Income on the basis of a direct association between the cost incurred and the earning specific items of income. All expenditure incurred in the running of the business and in maintaining the property, plant and equipment in a state of efficiency has been charged to the statement of profit or loss.

(b) Finance income and expense

Interest income and expenses are recognised in profit or loss using the effective interest method. The effective interest rate is the rate that exactly discounts the estimated future cash receipts or payments through the expected life of the financial asset or liabilities (or, where appropriate, a shorter period) to the carrying amount of the financial asset or liabilities. When calculating the effective interest rate, the Company estimates future cash flows considering all contractual terms of the financial instrument, but not future credit losses.

NILKAMAL ESWARAN PLASTICS (PVT) LIMITED
NOTES TO THE FINANCIAL STATEMENTS

The calculation of the effective interest rate includes all transaction costs and fees and points paid or received that are an integral part of the effective interest rate. Transaction costs include incremental costs that are directly attributable to the acquisition or issue of a financial asset or liability.

(c) Borrowing cost

All borrowing costs are recognised as an expense in the period in which they are incurred.

3.17. Related Party Transactions

Disclosures has been made in respect of the transactions in which one party has the liability to control or exercise significant influence over the financial and operating decisions/policies of the other, irrespective of a price being charged.

4. Statement of Cash Flows

The Statement of Cash Flows has been prepared using the Indirect Method.

For cash flow purposes, cash and cash equivalents are presented net of bank overdrafts.

25 Contingent Liabilities

The following cases have been filed against the Company or claims have been made in reconvention. No provision is made in the financial statements as the lawyers are of the opinion that the outcome of the potential liability on any of these cases can not be assessed with reasonable certainty at this stage.

(a) Commercial High Court of the Western Province Case No. H.C. (Civil) 302/2012/MR

Kandekamlage Sirinage (Proprietor) have filled a case against the Company for a declaration of Court that the Distribution Agreement dated the 1st April 2014 between Nilkamal Eswaran Plastics (Pvt) Ltd (Defendant) and Kandekamlage Sirinage (Plaintiff) Proprietor Samagi Furnitures is in force and continues to be in force and for Enjoining Orders to prevent the Company from violating the Agreement, appointing any other distribution agent and encashing the said Bank Guarantee granted by the plaintiff to the Company under and in terms of the Distribution Agreement.

The Court granted Enjoining Orders as prayed for by the Plaintiff. The Company has filed its Statement of Objections to the plaintiff's Application for Interim Injunctions and took up several Preliminary Objections. Both parties tendered their respective Written Submissions to Court and the Court by its Order dated the 23rd July 2012 dismissed and the above action with costs.

The plaintiff has preferred an appeal to the Supreme Court against the said Order. The Registrar of the Supreme Court has directed the Plaintiff-Appellant to deposit the brief fees.

The Appeal is pending.

(b) Commercial High Court of the Western Province Case No. H.C. (Civil) 217/2012/MR

Ashok Furnishing (Pvt) Limited and Pahalage Kusumsiri Perera (Managing Director), Ashok Furnishing (Pvt) Limited (Plaintiffs) filled this action for a declaration that the Plaintiff suffered losses as a result of the termination of the Distribution Agreement dated the 1st April 2004 entered between Nilkamal Eswaran Plastics (Pvt) Limited (1st Defendant) and Ashok Furnishing (Pvt) Ltd, and for the recovery of damages in a sum of 60 Lacks and interest thereon and for the recovery of a further sum of Rs.1,636,456/86 from the said Company and for Enjoining Orders/Interim Injunctions/Permanent Injunctions, preventing the Company from appointing another distributor for the Anuradhapura territory and also preventing Seylan Bank PLC and its Manager at its Anuradhapura Branch from making payment to the Company on the two Bank Guarantees aggregating to Rs. 2.5 Million granted by the Plaintiff to the Company under and in terms of the said Distribution Agreement.

It was brought to the Notice of Court by the parties that another Distribution Agent has been appointed and that the Bank Guarantee in respect of Rs. 1.5 Million has been already encashed by the Company.

As such, the Court recorded that an Inquiry in to the Plaintiff's Application for Interim Reliefs does not arise. The Company filed their respective Answers and Admissions and Issues and when the matter was taken-up for trial on the 23rd November 2012, on an Application by the Counsel for the 2nd and 3rd Defendants the Court discharged the said Defendants from this action.

The Trial against the Company stands fixed for the 27th July 2015. The Plaintiff will be re-examined on the said date.

The Company did not have any further contingent liabilities other than those disclosed above.

NOTES TO THE FINANCIAL STATEMENTS

28. Financial Risk Management

Overview

The Company has exposure to the following risks from its use of financial instruments:

1. Credit risk
2. Liquidity risk
3. Market risk
4. Operational risk.

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital. Further quantitative disclosures are included throughout this financial statement.

Risk Management Framework

The Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Board is responsible for developing and monitoring the Company's risk management policies.

The Company's risk management policies are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment in which all employees understand their roles and obligations.

28.1. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, related parties, short term investments and cash and cash equivalents.

The Company trades with own distributors with bank guarantee and trades maximum up to the guarantee value. In addition, receivable balances are monitored on an ongoing basis with the result that the Company's exposure to bad debts is not significant. Cash and cash equivalents are held with banks which have good ratings based on Fitch ratings.

28.1.1 Credit Risk Exposure and Managing the Risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was as follows;

<i>As at 31 March</i>	Group		Company	
	2015	2014	2015	2014
	Rs.	Rs.	Rs.	Rs.
Trade and other receivables	154,243,676	178,851,425	143,905,084	171,592,023
Cash & cash equivalents	120,791,641	44,419,344	119,025,616	42,858,151
	275,035,317	223,270,769	262,930,700	214,450,174

28.2 Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.
