Due to unusual and steep depreciation in the value of rupee over the last six months, the Company has opted for amortization of foreign exchange loss on long term foreign currency borrowings pertaining to the fixed assets. Accordingly, a sum of \gtrless 3.33 Crores shall be amortised over the life of such depreciable fixed assets.

During the nine months of the current financial year, the Company has incurred approximately ₹64.06 Crores of capital expenditure.

The Company has commenced the manufacturing of coir mattresses at its plant at Hosur. It has imported machinery from Germany and Switzerland for the said purpose. The Company has already made its presence in a short span of three months with 750 outlets and 10 offices in the southern region of India. It has also carried out a trial run of spring mattresses and shall start the commercial production of the same during the Q3 of the FY2012. The Company is also planning to launch innovative mattresses during the next quarter.

The Company has stepped into the enormous market for Mass Housing Contracting in India by taking up a Project on Sub Contracting basis to Construct 2560 Dwelling Units in the state of Gujarat by using Monolithic Construction technology. The value of the said project shall exceed ₹ 50 Crores and the Company is planning to complete the said project over the period of 18 months.

The Company was felicitated with Economic Times Indian Manufacturing Excellence – "Gold Award - Process Sector, Emerging Business" for the year 2011. The said award was honoured by Economic Times in partnership with Frost and Sullivan.
