Owing to our excellent quality product range, we are a reputable company in the agriculture and construction sector today.

ESTABLISHED IN 1994

MOHIT IRON INDUSTRIES is a company that is dealing in the trade of industrial tractors and machinery. We are a notable manufacturer and supplier of hydra crane, diesel tractor, dozer & reversible plough tractor, concrete mixer, hydra & pole driller, vibrating feeder, stone crusher vibrator, reversible plough, mini grader, tractor loader, and much more. Owing to our excellent quality product range, we are a reputable company in the agriculture and construction sector today. With more than 2 decades of experience, our company has become the most reliable manufacturers of the industrial tractors and machines in the market. With us, tractors of different brands like Mahindra, Farm Trac., New Holland, Swaraj, Sonalika, Indofarm, etc., are available. Customers can place their orders from our company anytime.

Mohit Iron Industries, located in Vidisha (Madhya Pradesh, India), is a fraternity that is involved in the business of manufacturing and supplying the premium quality industrial tractors and machines. The respected personality behind the establishment of our organization is Mr. Matura Prasad Vishwakarma (CEO). He laid the foundation stone in the year 1994.

OUR MANUFACTURING UNIT

Supported by a well-equipped manufacturing unit, we are able to complete the consignments of tractors, trucks, and other machines within a stipulated timeframe. The machines and tools installed at the infrastructure are upgraded at regular intervals.

OUR WAREHOUSE

We have a huge warehouse that helps us in storing these large machines separately until they are ready for dispatch. Our warehouse keepers preserve the products from any harm at our warehousing facility until transportation.
