About Us

The Intimate is a Rourkela (Odisha) based organization offering its products nationwide. After being incepted in 2014, the company has gone way ahead from its competitors owing to its highly professional attitude. We draw inspiration from Mr. Manoranjan (Proprietor) who is an experienced businessperson with excellent management skills.

Our Team

We take pride in having a team that has rich expertise and knowledge in the domain. We select these people after stringent selection procedure. These professionals are given thorough training before they are given their responsibilities. Our team includes procuring agents, quality auditors, warehouse professionals etc.

Client Satisfaction

As a client centric organization, we understand the importance of a happy client. Client Satisfaction is of most importance for us. We facilitate our clients with easy payment terms, timely delivery along with most competitive prices.

Why Us?

There are following reasons behind our success :

- Complete client centric approach
 - Industry leading prices
 - Wide distribution network
- No compromise with the quality of products

Fresh Tomato

With latest machines and technology, we ensure that the raw material used is as per the globally accepted standards and meet the international standards. We deliver the quality products that are manufactured using the best raw material. We ensure that the delivery schedule should be properly maintained in order to meet the exact requirements of the customers. Fresh Tomato helps in digestion, improves vision, lowers hypertension and prevents cells from oxidative damage.

Fresh Red Onion

After being a hard competitor to our contemporaries in Odisha(India), our organization now has come forward to contest the providers in other marketplaces. We strictly follow the packaging guidelines and we ensure that finest quality packaging material is used as packaging protects the enclosed product from physical, chemical and microbiological invasion. Fresh Red Onion prevents from various kinds of the chronic diseases and aids in the optimal well-being of body.

The Intimate
