

Drashti Chemicals

ABOUT US

We, **Drashti Chemicals**, were incorporated in the year 2016 at Vadodara, Gujarat (India). Highly qualified, experienced and dedicated, our Proprietor, Mr. Rajesh Chauhan, has led the company to set new benchmarks in the industry.

Infrastructure

The infrastructure of our company is located in a prime location of Vadodara across a wide area of land. It has separate units for each & every business operation including R&D, production, quality testing, warehousing and others. Besides, it is well-equipped with advanced facilities.

Qualitative Products

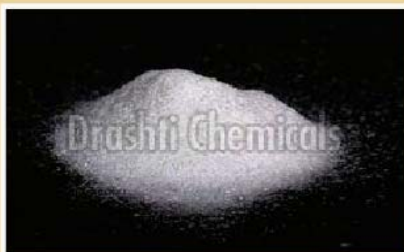

Our Industrial Chemicals are formulated in adherence with the industry-stated norms & standards. They stand high on counts of formulation, efficacy, chemical & physical properties and shelf life. Also, they are safe to use and hence, owing to all these features, their demand is huge in the market.

Why Choose Us?

Our company has carved a strong position in the industrial chemicals industry, leaving its competitors far behind. Our entire range of chemicals is widely demanded owing to its adherence with the industry-defined standards and availability at the most reasonable prices. Apart from this, we promise timely deliveries of all the orders.
