ABOUT US

GR Enterprises is a known name in the Indian trade marketplace. The company started operations as a supplier of products like Indian Rice, Green Cardamom, Turmeric Powder, Wheat Seeds, and Fresh Vegetables a few years ago. Our offerings are sourced from the trusted farm owners and certified dealers after complete quality conformance. Ours is a group of individuals, who work collectively to evolve new work methods to simplify the trade operations and meet the buyers' demands in a seamless manner. Keeping customer satisfaction and quality at the center of our operations, we have secured a good name amid the key market players.

GR Enterprises is a sole proprietorship firm, running well under the immaculate guidance of Mrs. Rimpa Roy. Her business acumen and ability to foresee the market demands have helped us in cementing our strong position in the area of operations. The company is based in Jamshedpur (Jharkhand, India) and we have been catering to ever-changing industry demands of the clients since 2004.

Our Reliable Resources

www.rajaraan-india.com

At GR Enterprises, we have a dedicated facility featuring modern amenities and facilities to run smooth trade operations. Besides, we have parted it into different sections for the ease of operations. A team of professionals is entrusted to keep the updated market information and strategy our company operations accordingly. Our strong vendor-base of product dealers and suppliers empowers to meet the buyers' demands in a timely manner.

Choose GR Enterprises because:

- We provide regular product catalogs to clients
- We accept payment through online and offline modes
- We undertake tailored demands for product packaging and labeling
