

# Prime Plastics

Prime Plastics is a prominent name in the industry of plastic. We are counted amid the eminent manufacturers and suppliers of the Bopp poly bags and Bopp polythene rolls. Prepared by the raw material procured from the licensed vendors, our poly bags are manufactured under the stringent supervision of experts in order to use the legit amount of chemicals for manufacturing the poly bags. Being a business-steered company, we deliver the flawless products by matching up to the legal requirements without exceeding the chemical allowance. Therefore, we abide by the regulations and norms set by the government while manufacturing the Bopp poly bags and Bopp polythene rolls.

## ABOUT OUR COMPANY

Prime Plastics was established in the year 2010 by Ms. Sulochna A Patel. She is the owner of the company and laid its foundation brick in the city of Ahmedabad (Gujarat, India). Since inception, the company is engaged in manufacturing the flawless plastic at a nominal charge. Contact us anytime for buying the Bopp polythene.

### The Warehouse

We own a vast warehouse that is equipped with the latest machinery. This place is used for processing the raw material and producing the world-class quality plastic items like the Bopp poly bags and Bopp polythene rolls. We utilize the machines for a precise outcome.

### The Client Base

We have established our roots with sturdiness in the plastic industry and have overcome various obstacles. It has helped us to adopt new techniques of manufacturing the plastic products with precision in a shorter time-span. Our service of manufacturing and supplying the Bopp poly bags and polythene rolls has fetched us a vast clientele.

### Why Us?

Prime Plastic should be your choice for a fair business because:

- Clients get the precise and flawless outcome of the Bopp poly bags and polythene rolls
- Our products and supply services are pocket-friendly
- Clients can make the payments digitally in case they're short of cash
