SRI AYYAN APPALA COMPANY

Raghuvir Exporter is operational in various industries within the country. Ours is a highly recognized firm that is indulged in the business of supplying fresh fruits, fresh vegetables, food grains, leather products, sunflower oil, wooden keychain, designer handbags, and wrist watches. These products are procured from various reputed vendors from across the world. We ensure that the procurement procedure is conducted carefully after checking each product on quality parameters. Besides this, we distribute the products in a safe manner to our customers. Customers can purchase these products in less as well as bulk quantities from us at the best market leading price range.

ABOUT US

Sri Ayyan Appala Company holds expertise in offering a wide range of products that includes fresh vegetables, moringa leaves, moringa powder and appalam papad. We are renowned as reputed Manufacturers, Exporters and Suppliers of these products in India. The range, we offer, is processed using raw materials and advanced agricultural practices to process them ensuring the best quality. Freshness, exotic flavor, purity, great taste and various health benefits are some of the main features of our products. These products are packaged in suitable packaging material so as to keep their freshness and effectiveness intact for a longer duration. One can avail these products from us in small as well as bulk quantities at the most affordable prices.

Based in Ettayapuram (Tamil Nadu), Sri Ayyan Appala Company was incepted in the year 2015. Under the leadership of our efficient proprietor, Mr. S. Shanmugaraj Samudra Pandian, we have been able to acquire a huge clientele base across the world.

Excellent Quality

We are FSSAI and Apeda certified organization that assures the finest quality. The products that we offer are methodically examined by our quality controllers so as to leave no scope of contamination. Apart from this, we keep our products in temperature controlled warehousing facility ensuring 100% safety in terms of both quality and freshness.

Our Team

We have hired a team of highly dedicated professionals who have immense industry experience enabling us to deliver unmatched quality products to our clients. Besides this, we conduct regular training sessions for our employees so as to keep them updated with the latest agricultural trends.

Customer Satisfaction

Being a client-centric organization, we strive hard to deliver our products all across the world within the promised time frame. Customized packaging options, ethical business policies, affordable prices are some other factors that keep us apart from others.
