

SAGAR SALES

ABOUT US

SAGAR SALES is a professionally managed firm, accredited to manufacture and trade products in the Indian subcontinent. The company has its in-house facility parted into different sections for the effective development of products like pencil stand, velvet pencil, raw polymer pencil, flocking powder, velvet pencil raw material, and velvet pencil making machine. We make use of premium grade basic material and modern work methods to ensure that only flawless product array reaches the client's site. At Sagar Sales, our motto is to establish a strong network of distributors comprising small, mid and large scale traders. Thus, to meet the varied demands of the clients, we customize our offering as per the given details.

SAGAR SALES is a renowned name, specialized in the production and trade of a variety of products. Our company got established in 2016 and growing well under the headship of industry experts. We are based in Nagpur (Maharashtra, India) and we operate with a network of product distributors in the regional marketplace.

HOW WE SELECT ASSOCIATES?

We believe associating with vendors is important to maintain streamlined trade operations. Therefore, we have created a system to filter out the trustworthy ones. We select our vendors only after they meet the following criteria:

- Years of experience and knowledge
- Unwavering commitment towards customers
- Financial Stability
- Excellent quality management systems
- Ability to maintain all time technical and human resources

WHY SAGAR SALES?

We are preferred over competitors for the following factors:

- Honesty and transparency
- Right pricing policies
- Wide array of products
- Customized packaging solutions
- Team of highly qualified professionals
- 24X7 technical support
