

**The
Best
Quality**

Shivaay Group

Shivaay Group is recognized as a young and budding organization from Gurgaon (Haryana) that is indulged in the manufacturing of different kinds of fencing products. The company serves as one of the dependable manufacturers and suppliers of premium quality concertina wires, barbed wires, concertina coil, razor fencing wire, and chain link fence. We manufacture these products using top-quality metal, which gives them the strength to withstand the extremes of nature as well as keep trespassers at bay. We are a quality-centered organization and our complete focus is laid on 100% quality management. We ensure the complete satisfaction of buyers in terms of quality & quantity for each and every product they purchase from us.

About Us

Shivaay Group is recognized as a young and budding organization from Gurgaon (Haryana) that is indulged in the manufacturing of different kinds of fencing products. The company serves as one of the dependable manufacturers and suppliers of premium quality concertina wires, barbed wires, concertina coil, razor fencing wire, and chain link fence. We manufacture these products using top-quality metal, which gives them the strength to withstand the extremes of nature as well as keep trespassers at bay. We are a quality-centered organization and our complete focus is laid on 100% quality management. We ensure the complete satisfaction of buyers in terms of quality & quantity for each and every product they purchase from us.

Shivaay Group was established in the year 2019 and right from its inception it focused on bringing forth fencing products that are hard to break and cut so that overall safety of the premises can be perked up. The company has been progressing on the growth path under the profound guidance of Mr. Jitender Yadav, who is the CEO of the organization.

Infrastructure

Our facility is spread across the sprawling land area and it is furnished with the hi-tech equipment and machinery, which play an essential role in the manufacturing process.

Why Choose Us

We are a trusted business partner for many in the nationwide industry, and there are certain reasons why clients choose us:

- Long industry experience
- Stern quality control policies
- Team of skilled people to beef up security with fencing
- Reasonable pricing across the product lineup

Type	: Concertina Wire
Color	: Silver
Material	: Galvanized Iron
Application	: Gardens, Factories, Dairy Farms, Poultry Farms, Dams & Projects, Tea & Coffee Gardens, etc
Feature	: Corrosion Resistant
Coil Length	: 100 Meter

PVC Coated Barbed Wire

Material	: GI
Length	: 10-20mtr
Features	: Easy To Fit, Good Quality
Frame Finishing	: PVC Coated
Usage/	
Application	: Fencing
Color	: Green
Feature	: Corrosion Resistant

Our Products

Silver Barbed Wire

Features	: Easy To Fit, Perfect Finish
Wire Material	: GI
Color	: Silver
Size	: 1.5-3mm
Barb Distance	: 7.5cm-15cm
Corrosion Resistant	: Yes

Silver Barbed Fencing Wire

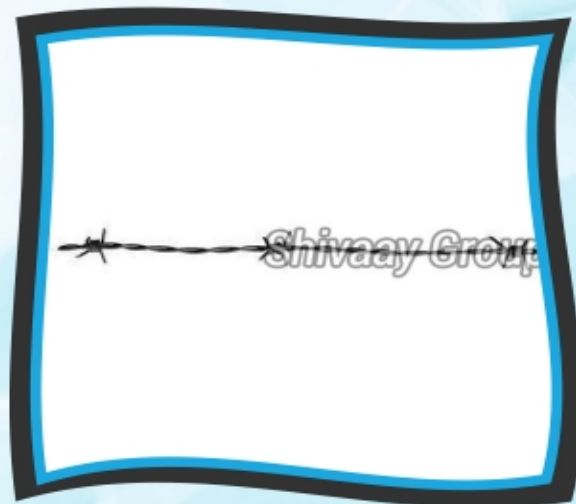

Applications	: Security Purpose
Color	: Silver
Material	: Galvanized Iron
Application	: Gardens, Factories, Dairy Farms, Poultry Farms, Dams & Projects, Tea & Coffee Gardens, etc
Barb Distance	: 7.5cm-15cm
Corrosion Resistant	: Yes

Our Products

Barbed Fencing Wire

Features	: Easy To Fit, Good Quality
Color	: Silver
Material	: Galvanized Iron
Usage/ Application	: Gardens, Factories, Dairy Farms, Poultry Farms, Dams & Projects, Tea & Coffee Gardens, etc
Wire Diameter	: 1.8 mm
Barb Distance	: 7.5cm-15cm

Galvanised Barbed Wire

Color	: Silver
Type	: GI Barbed Wire
Material	: Galvanized Iron
Application	: Gardens, Factories, Dairy Farms, Poultry Farms, Dams & Projects, Tea & Coffee Gardens, etc
Wire Diameter	: 1.8 mm
Barb Distance	: 7.5cm-15cm

Our Products

Concertina Coil

Thickness	:	0.5-1mm
Color	:	Silver
Material	:	Galvanized Iron
Application	:	Gardens, Factories, Dairy Farms, Poultry Farms, Dams & Projects, Tea & Coffee Gardens, etc
Tensile Strength	:	320 - 500 mpa
Rust Proof	:	Yes

Razor Fencing Wire

Length	:	0-10mtr, 10-20mtr, 20-40mtr
Color	:	Silver
Material	:	Galvanized Iron
Application	:	Gardens, Factories, Dairy Farms, Poultry Farms, Dams & Projects, Tea & Coffee Gardens, etc
Tensile Strength	:	320 - 500 mpa
Corrosion Resistant	:	Yes

Chain Link Fence

Features	:	Durable, Non-Breakable, Rust Proof
Color	:	Silver
Material	:	Galvanized Iron
Application	:	Gardens, Factories, Dairy Farms, Poultry Farms, Dams & Projects, Tea & Coffee Gardens, etc
Zinc Coating	:	Yes
Is It Corrosion Resistant	:	Corrosion Resistant
