SALES & SERVICES
Water Pure... Life Sure...

ABOUT US

NK Aqua Sales and Services is a name that is counted amongst the preeminent firms that are providing a comprehensive range of finest quality water purifier pumps, parts, and many other similar kinds of products. We are a well-noted manufacturer, exporter, and supplier of RO water purifier, RO water purifier parts, industrial RO plant, water cooler, blue star water dispenser, electric RO water geyser, water chiller, water jar, RO pipe, RO remote, SMPS adaptor, and submersible pump. Our source of water is totally credible as well as affordable in nature. Our prime vision is to improvise, develop new and innovative techniques of water treatment, and enhance our efficiency. We continue to educate the people about the issues concerning maintenance and consumption of water quality. We are selling our products in the market at a reasonable price range.

Deeply rooted in Pune (Maharashtra, India), NK Aqua Sales and Services is one of the renowned organizations that are engrossed in manufacturing, exporting, and supplying the best quality water purifiers, pumps, purifier parts, and other such products. Mr. Nitin Khairnar (Proprietor) is the brilliant mind behind the establishment of our company. He laid the foundation stone of the firm in the year 2015.

Our Manufacturing Structure

By incorporating the latest technologies for designing and executing the water treatment plants, we have become the first choice of our customers. Our solutions and product range are excellent when it comes to compliance with industrial standards or quality. This has become possible owing to our state-of-the-art manufacturing structure.
