# ABOUT US

There are uncountable exquisite travel goals on this 'Blue Planet'. Trillions of the human beings live here and there are millions of travelers in them. All they just need is the reason to step out and explore the shimmering world. You won't believe but there's a hidden traveler in you and we will surely help to bring out that travel.

SSCC Travel is a prominent name in the sphere of tourism. The foundation stone of the company was laid in the year 2010 in the capital city of India by Mr. Nikhil Mittra. He is the

proficient individual who has shown an immense dedication towards establishing the company. Under his guidance, we have burgeoned with a great speed.

Also, a huge part of the credit goes to the dynamic workforce of SSCC Travel. They have also played a key role in helping us to scale the heights of success. They are available 24X7 to serve tourists. We are engaged in rendering the peerless service of the tour operator, making a reservation in airlines and railways, booking hotels and travel insurance. All our services can be availed at a minimal charge. We promise that you will enjoy your journey by making us your travel partner.

# OUR SERVICES

## Tour Operators

SSCC Travel is reckoned amid the flying names in the domain of tourism. We are located in New Delhi (India) and are counted amid the eminent tour operators. Our tours are well-known for their comfort and fun. Our services also include booking the ticket for airlines and railways and travel insurance.

You just need to dial our numbers to get in touch with us. Our agents will not disappoint you. By availing our services, you will have an enthralling experience of your expedition.

## Airline Ticketing Services

Airlines are the fastest mode of transport. People commute through airlines to reach distant places within a short timeframe. Some people also see this as a luxury as they cannot afford a ticket for an airline. If you're in the same opinion then it is the time to change it. Located in New Delhi (India), we are counted amid the reliable service providers of booking airline tickets.

You can contact us and get your airline tickets booked. By providing your journey details, it can become easier for our agents to book the ticket. Thus, remember the name of SSC Travel and get your tickets booked.

## Rail Ticketing Services

A journey through the railway means a package full of fun. People on a large scale prefer traveling through railways, especially when they have to cover the longer journeys. But, the problems may arise when one has to get the ticket booked. It is a time-consuming process. In order to keep this problem at bay, you can contact SSC Travel.

Located in New Delhi (India), we are engaged in catering the service of booking railway tickets for travelers. Just share with us your journey details and get your tickets booked without leaving your comfort zone.

# OUR SERVICES

## Travel Insurance Services

Travel insurance is a shield that assures your safety as well as your luggage during your travel. Whenever you travel, especially abroad then you shouldn't forget to take the travel insurance for yourself. If you are looking out for a prominent service provider of the travel insurance service then remember the name of SSCC Travel.

We are based in New Delhi (India) and offer the affordable service of travel insurance. By choosing the travel insurance, you assure your safety in an unknown place. We also have the packages that can be tailored by the traveler according to the trip.

## Hotel Booking Services

Unless an appropriate hotel isn't booked, any journey to a place might remain inconvenient. Travelers prefer booking an accommodation prior to their journey so that they can spend the vacation in a relaxing way. If you have missed out this step of making a reservation in a hotel then do not panic. We are here to help you.

Located in New Delhi (India), we are known for providing the affordable service of booking the 5-star, 3-star, 2-star, guest house, luxury resorts, and motels all across the globe. Just dial our numbers or shoot an e-mail on our websites for enquiring about the service today!
