## Scuba Diving

Reckoned for its water activities, Andaman is abounded with islands that are enclosed by the coastal waters. The Underwater driving and exploring marine life activity is popular amongst the tourists of Andaman. One of the specialties of Andaman is that the underwater formations and coral reefs are untouched by the human activity. If you are traveling to Andaman for Scuba Underwater diving, then you should definitely go for some of the best spots like lighthouse point, and other diving sites with ample of big fish action. Moreover, you can visit the north island that is an amazing diving site with coral mounds and hard corals.

## Snorkeling

Do you often dream of Swimming underwater to explore underwater life with various fishes, sharks and other marine creatures? If yes, then a snorkeling tour is the best for you. At Andaman Island, you can experience the underwater coral structures and shallow reef areas by signing up for a snorkeling activity. Snorkeling is a diving practice conducted under deep waters with various diving equipment such as a shaped tube known as snorkel, diving mask, and fins. On a beautiful tropical location, what else do you need if you have a snorkeling mask and a wetsuit? So, do not miss this mind-blowing experience and book your snorkeling trip now.

## Boating

In a lot of cases, though, boats are the best, and frequently the only way, to properly see a destination. Boating is known to reduce stress and improve quality of life. Most of the person live less than an hour from a navigable body of water, whether a sprawling lake or the beautiful ocean. So, discover the beauty of the deep ocean by travelling by boat for you and your family.

## Glass Boating

The glass boat is designed strategically to give it a look of an aquarium from the bottom. Glass boating is a boat with one or more sections of glass, or other suitable transparent material, below the waterline allowing passengers to observe the underwater environment from within the boat. The visitors can sit on the couches placed on top of the robust glass base of the boat. If you want to experience the marine life without even getting wet, then booking a glass boating is the best option for you. So, discover the beauty of the deep ocean by booking a glass boat trip for you and your family.

## Water Riding

Water Riding is amusement rides that are set over water is **MOST EXHILIRATING ACTIVITIES** to be enjoyed in Andaman. Being a Coastal Tourist Destination it is the only place that allows Tourists to enjoy this **THRILLING Experience** in the Country. Water Riding is a Package of five different rides done on the Vast Ocean.

## Game Fishing

Game fishing methods vary according to the area being fished, the species being targeted, and the personal strategies of the angler, and the resources available.
