SUJAL & COMPANY

Sujal & Company, your trusted partner in the world of two-wheeler accessories. Established in 2008 by Mr. Anjani Sharma, we take pride in being a prominent manufacturer and supplier based in Ludhiana, Punjab. Specializing in a diverse range of high-quality side stands, center stands, and footrests, we cater to the needs of motorcycle and scooter enthusiasts across the country.

Our mission at Sujal & Company is to redefine the standards of quality and innovation in the two-wheeler accessories industry. We strive to design and manufacture products that not only meet but exceed the expectations of our customers, providing them with reliable, durable, and stylish accessories that enhance their riding experience.

Driven by our vision to become a leading name synonymous with excellence and reliability, we are committed to continuous improvement and innovation. We aim to expand our product range, reach new markets, and establish long-term partnerships with customers, suppliers, and stakeholders, fostering mutual growth and success.

At the heart of our company are our core values, which guide our every action and decision. Integrity forms the foundation of everything we do, and we conduct our business with honesty, transparency, and ethical practices. Customer satisfaction is our top priority, and we are dedicated to understanding and fulfilling the needs of our clients with personalized service and support.

Innovation fuels our passion for excellence, as we continuously seek new ways to improve our products, processes, and services. We value teamwork and collaboration, fostering a culture of mutual respect, trust, and accountability among our employees. Together, we work towards achieving our goals while upholding the highest standards of quality and professionalism.
