

Shiva Plastic Fittings

Shiva Plastic Fittings is a well-renowned and reliable organisation involved in manufacturing and supplying bulk quantities of ladder buckles, plastic hooks, cord locks, triangle buckles, etc to our customers throughout the country. Founded in 1995 and under the leadership of Mr Maniq, we are moving ahead of our competition since our incorporation.

Shiva Plastic Fittings

Shiva Plastic Fittings is a well-renowned and reliable organisation involved in manufacturing and supplying bulk quantities of ladder buckles, plastic hooks, cord locks, triangle buckles, etc to our customers throughout the country. Founded in 1995 and under the leadership of Mr Maniq, we are moving ahead of our competition since our incorporation.

We have appointed an enthusiastic team of trained and skilled experts that provides high-quality products to the customers at reasonable prices. Based in Delhi, we provide different types of locks, buckles, plastic hooks and accessories at cost-effective rates.

Product Assurance

We are offering locks, cord buckles, triangle buckles, and ladder locks with extremely quality products at affordable rates. We have a policy of checking the products before delivering them to the customers. We also understand the need of the customers. Our products are highly usable in various industries. We are ensuring the best quality products. Our products are available in various sizes and metals.

Warehousing and Packaging

We are creating value for the customers by offering them excellent quality products throughout the country. We are manufacturing the best packaging materials to ensure that customers get the products on the agreed time. We aim to manufacture products using quality raw materials procured from verified vendors in the market.
