

## **Sustainability**

*Ever wondered about the extra piece of garment lying in the corner of your wardrobe?*

*All our wardrobes are burdened with that extra garment.*

*Let's take a step.*

*Let's recreate, renovate and reuse them.*

*Let's bring back the existing circularity of an Indian household.*

## How to Recycle

- Bring in 2 pieces of your old garments*
- Get a utility product from us*
- A sustainable option for your everyday use*
- Reduction of carbon footprint at an individual level*

## Company & University bags

## White Labelling

Karak has white labelling options. Having worked with various companies and universities for white labelling, Karak has an experience in white labelling.
