

Sonu Enterprises

Established in the year 2011, Sonu Enterprises has proved itself as the biggest provider of household plastic items. The company is based in Ghaziabad (Uttar Pradesh) and operates all its business activities as a sole proprietorship-based organization. It deals in supplying products like capacitor cans, battery containers, plastic bathroom stools, plastic water tubs, plastic bins, plastic swing bins, plastic storage drum buckets, plastic mugs, plastic colanders, plastic racks, plastic buckets, plastic baskets, plastic soap dishes, plastic pedal bins, plastic baby potty seats, and many more. We ensure that the supplied products are made using premium quality raw materials in order to match up to the requirements of the buyers.

ABOUT US

Established in the year 2011, Sonu Enterprises has proved itself as the biggest provider of household plastic items. The company is based in Ghaziabad (Uttar Pradesh) and operates all its business activities as a sole proprietorship-based organization. It deals in supplying products like capacitor cans, battery containers, plastic bathroom stools, plastic water tubs, plastic bins, plastic swing bins, plastic storage drum buckets, plastic mugs, plastic colanders, plastic racks, plastic buckets, plastic kets, plastic soap dishes, plastic pedal bins, plastic baby potty seats, and many more. We ensure that the supplied products are made using premium quality raw materials in order to match up to the requirements of the buyers.

bas

The company was founded by Akhil Dhama who put his maximum effort to drive the business on the path to success and has achieved a remarkable position in this particular realm.

All the processes in the business are handled by our highly skilled professionals, who have enough industry experience and knowledge for their specific tasks. They work in close coordination with clients to understand their exact requirements. The range of products that we offer is examined on certain parameters using advanced testing tools under the strict supervision of our quality experts before dispatching to the user end. Our products are appreciated among the clientele due to their flawlessness, user-friendly design, durability, and affordability.

Obtaining complete customer satisfaction is our first priority. We strive to address our clients' requirements by delivering reliable, high-quality, and value-added products at reasonable prices.
