# About Us

FTSI Trading Company was established in the year 2022 in Mumbai, Maharashtra, India. We are the leading supplier and exporter of fresh vegetables, fresh fruits, wholesale spices and a lot more.

Total customer satisfaction has always been the main focus of our company. We are equipped with a state-of-art manufacturing unit and production facility. Our production unit works based on technology and manpower. To ensure the smooth working of the manufacturing unit, we divided the process into various departments.

## Why Choose Us?

We at FTSI Trading Company export premium quality products that match international standards. Our quality analysts conduct stringent quality control measures to ensure the durability of the products. The quality of the product is checked on various parameters at every stage of production. Our main product range comprises rice, Indian vegetables, Indian spices, Indian snacks, ceramic tiles, and cashew nuts.

We procure these from certified vendors to ensure the wholesomeness of the product. The offered product range is available in standard as well as customized specifications. Our ability to deliver large volumes within a stipulated schedule has aided us in developing strong business alliances and relationships with several reputed vendors across the domestic and international markets. We have an ever-growing and versatile clientele spread across the Agro & Food Commodities Industry.

Order our products in your required quantity today. We take orders in bulk and deliver on time.
