**INDUSTRY  
SINCE  
2016.**

**FINDER APPLIANCES** is one of the most notable business entities in the industry of Rajkot (Gujarat). We are engaged in manufacturing and supplying supreme quality kitchen accessories. The offered products are widely appreciated for their excellent quality, durability, great performance, and affordability. The company was introduced to the market in the year 2016 by Mr. Parth Patel. Due to his business intelligence and insights, we are constantly prospering in the industry. The company is backed by self-motivated and highly skilled professionals. All these professionals have good knowledge in their respective fields.

Investing into manufacturing, quality testing, and distribution units, keeping up with the latest technologies & tools, our determined quality management, moralistic business policies, and transparent dealings enabled us to stand out from others in this business. We aim to become a strong competitive entity that is well-competent to resist high competitive pressures and adverse circumstances.
