DRILLING CHEMICAL FOR OIL & GAS INDUSTRY

Company Profile

Backed by more than 11 years of industry experience, we have gained immense reputation in the manufacturing and exporting of Drilling Chemical Grade. Our association with leading and quality conscious manufacturers of Drilling Chemical products allows us to successfully handle the emerging product demands in the domestic market. Catering to the variegated requirements of our global clients, we are delivering our quality products in the market which are at par with international quality standards. Timely delivery, cost-effectiveness and state of the art facilities are some of the key factors that enable us to offer qualitative range in stipulated time frame. Further, the team of quality analysts strictly monitor each stage of production procedure to ensure flawless range.
