ADIVA HEALER

# KUNDALINI REIKI

Kundalini Reiki is one of the most powerful reiki healing methods and self-development. Kundalini is a latent force energy within each person, believed to reside at the base of the spine. The goal of Kundalini reiki is to raise the energy from the the bottom of the spinal column to the crown chakra.

# KUNDALINI REIKI

## **DURATION**

30 Minutes Daily  
For 1 Month

## **WHY?**

Awakening the Kundalini reiki energy gives you more vitality and energy and improves your abilities to feel the Universal Energy.

## **ENERGY EXCHANGE**

# LAMA FERA

Lama Fera is very powerful and is considered as the fastest energy based healing technique used by the Buddhist monks in the Himalayas for centuries. It is a very unique and efficient technique for cleansing the energetic system of all the low vibrations and attracting the positive ones instead. This technique works on physical, mental, emotional and spiritual level.
