Newly started in the year 2011 in Rajasthan, India “Vintage Crafts” becomes an established name as a manufacturer, exporter and supplier of all types of leather products like Leather Bags, Leather Journals, Leather Pouches, Leather Shoulder Strap Belt, Leather iPad Cover and many more products. We are intense in supplying the finest quality products to our users. Our leather is ready with the most astonishing quality process and fine finishing feet wears at a suitable price. The quality of our products is accomplished by our remarkably skilled professionals.

Following the leadership of our company owner Mr Virendra Singh Batra, we became the leading supplier and retailer of all types of leather products. With his vivacious guidance, we are targeting to spread all across India within a quick time.

### Our expertise

Our high-quality products are not only valuable and super proficient and help you to manufacture all sorts of products made of leather. Our product class is intended to be the impeccable answer to all the strength and luxury. We have an in-house quality team that polishes producing remarkably recommended slippers.

### Why choose us?

- ◆ Offering an inclusive range of leather
- ◆ We offer the finest quality products.
- ◆ We can supply anywhere in India
- ◆ Skilful Manufacturing Technique
- ◆ Reasonable and flexible pricing policy
