About Us

Jaguar Petropacks Private Limited, your trusted destination for high-quality packaging solutions. As a prominent Manufacturer, Exporter, and Supplier, we specialize in the production of Sack Bags, Paper Bags, and PP Woven Fabric Rolls. Established in 2014 by the visionary entrepreneur Mr. Sahil, our company is headquartered in the vibrant city of Koramangala, Bangalore.

At Jaguar Petropacks, we take pride in our commitment to delivering top-notch products tailored to meet the diverse packaging needs of our clients. Our range of offerings includes robust Sack Bags, eco-friendly Paper Bags, and versatile PP Woven Fabric Rolls. Whether you're in need of reliable packaging for industrial applications or sustainable solutions for consumer goods, we have you covered.

The foundation of our company is built on a passion for innovation, quality, and customer satisfaction. Mr. Sahil's vision was to create a company that not only meets industry standards but sets new benchmarks for excellence. With a focus on cutting-edge manufacturing processes, we ensure that our products adhere to the highest quality standards, providing durability and reliability.

Located in the dynamic city of Bangalore, we have positioned ourselves to serve both domestic and international markets. Our state-of-the-art facilities and skilled workforce enable us to meet bulk orders without compromising on quality. Jaguar Petropacks is dedicated to staying ahead of industry trends, incorporating the latest technologies and sustainable practices to minimize our environmental impact.

As a customer-centric company, we understand the importance of reliability and efficiency in packaging solutions. Whether you require customized orders or standardized products, our team is committed to meeting your specifications. We believe in fostering long-term partnerships, and our success is measured by the satisfaction of our clients.
