Shrey Overseas Enterprise

About Us

Shrey Overseas Enterprise is a 2022 established company committed to supplying, trading, and exporting a wide range of agro-products, fabrics, packaging products, etc. Our product range includes the finest quality turmeric powder, red chili powder, wheat flour, fresh red onions, edible groundnut oil, packing strips, plastic container boxes, printed cotton polyester fabrics, colored pigment powder, etc. The entire range of agro-products that we offer is unadulterated, freshly produced, and rich in essential nutrients. We make sure that all of the offered agro-products are obtained and processed under the strict supervision of specialists in a contamination-free environment. Our fabrics, pigment powder, packaging materials, etc. are also manufactured precisely at the vendor's end. We do business not only in India but also in other countries.

Working under the headship of Mr. Gajera Sachin Gopalbhai, the company is able to bring an incredible product range to the market. His extensive industry knowledge and impressive know-how about the consumer market enable us to cater to the emerging demands of customers efficiently.

We at Shrey Overseas Enterprise, ensure that the products that we offer are manufactured in adherence to prevailing industry norms and standards. We also concentrate on doing proper packaging of our agro-products in order to ensure purity, freshness, & aroma and to retain their original properties. We are assisted by a team of efficient professionals who serve their best that exceeds clients' expectations.

With our virtuous business practices, attractive packaging options, competitive pricing structure, and quick delivery services, we strive to become the first choice of buyers in both the domestic and international markets.
