# About Us

# Swamy Oil Industries

Swamy Oil Industries, an ISO 9001:2015 Certified Company, founded in the year 1986. Under the able leadership of prominent businessman Sri. P. Prabhakaran Nadar who has a rich experience in coconut oil trade for over 60 years, we have been scaling new heights of success. The firm is at present managed by his son Mr. P. Ashok. Our company is located at Kollam district of Kerala State in South India. It is believed that since Coconut is also known as "Kera", the land of Kera came to be known as Kerala. Abundant sun and rain combined with the mineral rich soil of this costal town guarantee that the coconuts are of superior quality compared to other parts of the world.

Dual certification of ISO 9001:2015 and AGMARK ensures that stringent quality standards are followed by the company which is in par with the best in the industry. Sundelux coconut oil is manufactured out of carefully selected copra, under hygienic conditions and packed scientifically to ensure longer shelf life.

## Quality Assurance

We have a dual quality certification i.e. we are an ISO 9001:2015 Certified Company and our product SUN SUPER Brand Coconut Oil is AGMARK Certified, by the Govt. of India, for its quality. We use high quality packaged materials like HDPE Bottles, PET Bottles, Pouches, Cans and Containers to deliver our range in a safe and hygiene manner.

## Team

We have a team of excellent professionals, which works with a passion to deliver fine products. Our teams dedication and hard-working attitude has helped us deliver the clients an unparallel quality of products. Our team comprises of:

- ✓ Engineers
- ✓ Sales & marketing experts
- ✓ Quality controllers
- ✓ Procuring agents
- ✓ Packaging experts

## Network

The vast network spread over India, Middle East, and South East Asia has proved to be a major strength of the company. Our wide clientele from different parts of world motivates us to serve them with the best possible quality of products.
