VIDHYUT TECHNICAL INDUSTRIES PRIVATE LIMITED

Vidhyut Technical Industries Private Limited is a trusted exporter and supplier of high-quality contractors. With a focus on excellence, reliability, and customer satisfaction, we have established ourselves as a leading provider of contactor solutions for various industries. Our commitment to delivering superior products, prompt service, and competitive pricing sets us apart from the competition. We cater to the diverse needs of clients worldwide and strive to be your preferred partner for conta

Vidhyut Technical Industries Private Limited is a trusted exporter and supplier of high-quality contractors. With a focus on excellence, reliability, and customer satisfaction, we have established ourselves as a leading provider of contactor solutions for various industries. Our commitment to delivering superior products, prompt service, and competitive pricing sets us apart from the competition. We cater to the diverse needs of clients worldwide and strive to be your preferred partner for contactor requirements.

Product Range

We offer an extensive range of contractors, catering to a wide range of applications and industries. Our product portfolio includes AX Series Contactor, UA-R Series Contractor, and A Series Contactor etc.

Quality Assurance

Quality is of utmost importance to us. We source our contractors from reliable manufacturers who adhere to strict quality control standards. Our dedicated quality

assurance team conducts thorough inspections and tests to ensure that each contractor meets or exceeds industry standards.

Customer Satisfaction

Our experienced sales team works closely with customers, offering technical expertise, product recommendations, and prompt support. We believe in building long-term relationships based on trust, reliability, and mutual growth.

Compliance and Certifications

We ensure compliance with all relevant industry regulations and standards. Our contractors are sourced from manufacturers who follow stringent quality control processes and hold certifications such as ISO, CE, and UL.
