# ABOUT US

[www.shrinathjiindustries.co.in](http://www.shrinathjiindustries.co.in)

Shrinathji Industries, founded in 2019, manufactures and supplies a comprehensive range of high-quality Architectural Hardware Fitting in Rajkot, Gujarat. Our product line includes aluminium railing parts, stainless steel railing parts, architectural hardware fittings, and sanitary items. These hardware fittings that we provide are made from high-grade glass acquired from industry-known and dependable vendors.

These products are made following professional standards utilising innovative and advanced techniques and equipment to achieve high-quality standards. These hardware components are in the growing market in the industry due to their dimensional precision, compact design, and flawless finish.

As a qualified and well-known company, we guarantee the superior quality of the given glass patch connections and masking tapes throughout all times. We have established a large and well-connected distributing network to distribute the supplied products to the consumers.

## ● Vendor Base

We have created tight and dependable commercial relationships with prominent market companions as a reputed corporation in the sector. Our vendors ensure that these items are manufactured in their modern manufacturing facility utilising quality-approved raw materials and cutting-edge technologies.

## ● Warehousing

We have established a large warehouse on our industrial site for the safe and secure storage of the purchased range. This is outfitted with all of the necessary facilities and materials handling machinery for the hassle-free and seamless transportation of items from one location to the next.
