**METFLOW ENGINEERS**, an ISO 9001-2015 Certified Company, is one of the leading Manufacturer and Exporter of various types of Industrial Manual Valves, Pneumatic and Automation Valves. We provide finest quality standard valves manufactured with advanced manufacturing facilities and latest modern technologies. METFLOW brand valves are manufactured as per the latest National and International standards and designed with advanced manufacturing techniques and stringent quality checks. Right from the procurement of raw materials to the finished product, we abide with ISO-9001 standards. Our valves and other Products are extensively used in various industries like Petrochemicals, Chemicals, Oil Sectors, Synthetic Fibbers, Fertilizers, Refineries, Paper and Pulp, Pharma, Power Plants, Sugar Industries, etc.

# About Us

METFLOW ENGINEERS, an ISO 9001-2015 Certified Company, is one of the leading Manufacturer and Exporter of various types of Industrial Manual Valves, Pneumatic and Automation Valves. We provide finest quality standard valves manufactured with advanced manufacturing facilities and latest modern technologies.

METFLOW brand valves are manufactured as per the latest National and International standards and designed with advanced manufacturing techniques and stringent quality checks.

Right from the procurement of raw materials to the finished product, we abide with ISO-9001 standards. Our valves and other Products are extensively used in various industries like Petrochemicals, Chemicals, Oil Sectors, Synthetic Fibbers, Fertilizers, Refineries, Paper and Pulp, Pharma, Power Plants, Sugar Industries, etc. We are equipped with all the latest amenities for producing unsurpassed quality products. We hold a team of qualified professionals and specially trained labours who manufacture these intense products.

The secret of our success is the uncompromising business standards of our managements & the company's unrelenting focus on quality. Each product is made from finest material & is subject to stringent, rigorous check & inspections by qualified engineers at every stage of manufacture. If it doesn't measure up to the "METFLOW ENGINEERS" standards it is rejected out of hands. This way "METFLOW ENGINEERS" knows that it's product will give the reliability & on-demand services.

Since 2020, Metflow Engineers has been building the highest quality, best engineered valves and other engineering products like Flanges, Fittings and other fabrication works as per the drawings in the industry. Metflow Engineers stands for quality, engineering, customization and service. Our management and employees are committed to deliver on time, technologically advanced products, that meet or exceed our customers' expectations. We're an Indian Manufacturers, assemblers, supplier with a global perspective.

## **Our Team**

We are backed by dedicated team of experts who help us in providing the best quality products to our respected clients. We have appointed a team of experts, who have rich knowledge and expertise in the domains. Our experts manage close sync with the customer to furnish their exact requirements and deliver them accordingly. In addition to this, we also organize different seminars, workshops and training sessions for keeping them updated with market developments.

## **Our Infrastructure**

With the help state-of-the-art infrastructural facility, we have been able to provide high quality range of products. The infrastructural facility is furnished with ultra-modern equipment and machinery. Our infrastructure is categorized into various functional parts like manufacturing unit, production unit, procurement unit, quality control unit, warehousing and packaging unit. The machines and tools installed at our infrastructural unit are regularly updated and checked for easy working condition. This state-of-the-art infrastructural unit helps us in furnishing the bulk demands of our clients within the provided time frame.

# Our Products

## Cast Steel Ball Valve

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Cast Steel  
Usage/Application : Water

## Cast Steel High Pressure Gate Valves

Business Type : Manufacturer, Exporter, Supplier  
Material : cast steel  
Country of Origin : Made in India  
Usage/Application : Industrial

## CI Wafer Type Butterfly Valve

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Pressure Rating : Up to 19.6 Bar (dependent on temperature)  
Connection Form : Thread

## Flange End High Pressure Ball Valve

Business Type : Manufacturer, Exporter, Supplier  
Material : Stainless Steel  
Finishing : Polished  
Condition : New

## Lugged Butterfly Valve

Business Type : Manufacturer, Exporter, Supplier  
Pressure : High Pressure  
Material : CI, WCB, LCB, CF8, CF8M, DI, etc.  
Design : Lugged

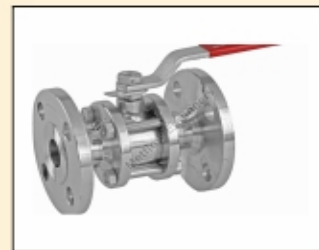

## Metal Seated Gate Valve

Business Type : Manufacturer, Exporter, Supplier  
Color : Blue  
Condition : New  
Country of Origin : India

# Our Products

## Mild Steel MS Ball Valves

Business Type	:	Manufacturer, Exporter, Supplier
Material	:	Mild Steel
Finishing	:	Polished
Color	:	Silver

## Stainless Steel Ball Valve

Business Type	:	Manufacturer, Exporter, Supplier
Condition	:	New
Type	:	Stainless Steel Ball Valve
Country of Origin	:	India

## Stainless Steel Butterfly Valves

Business Type	:	Manufacturer, Exporter, Supplier
Country of Origin	:	India
Usage/Application	:	Water
Material	:	SS

## Stainless Steel Check Valve

Business Type	:	Manufacturer, Exporter, Supplier
Color	:	Silver
Condition	:	New
Size	:	15mm to 600mm

## Stainless Steel Gate Valves

Business Type	:	Manufacturer, Exporter, Supplier
Material	:	Stainless Steel
Color	:	Silver
Condition	:	New

## Stainless Steel Industrial Gate Valve

Business Type	:	Manufacturer, Exporter, Supplier
Country of Origin	:	India
Material	:	Stainless Steel
Size	:	2" (50 mm) to 48" (1200 mm)

# Our Products

## Stainless Steel Long Stem Cryogenic Globe Valve

Business Type : Manufacturer, Exporter, Supplier  
Material : Stainless steel 304 and 316  
Color : Silver  
Design : Long Stem

## Stainless Steel Wafer Check Valve

Business Type : Manufacturer, Exporter, Supplier  
Material : Stainless Steel  
Pressure : 6000 psi  
Material Grade : SS 304

## Stainless Steel WCB Globe Valve

Business Type : Manufacturer, Exporter, Supplier  
Material : Stainless Steel  
Color : Silver  
Pattern : Plain

## Water SS 304 Y Type Strainer

Business Type : Manufacturer, Exporter, Supplier  
Material : SS 304  
Surface Finishing : Polished  
Country of Origin : India

## WCB Pulp Valve

Business Type : Manufacturer, Exporter, Supplier  
Condition : New  
Country of Origin : India  
Material : WCB

## Forged Ball Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Forged Steel  
Feature : Casting Approved, Investment Casting

# Our Products

## Forged Check Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Forged Steel  
Color : Black

## Forged Gate Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Forged Steel  
Color : Black

## Forged Globe Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Stainless Steel  
Power : Hydraulic

## Forged Steel Gate Valves

Business Type : Manufacturer, Exporter, Supplier  
Material : Forged Steel  
Condition : New  
Country of Origin : India

## Dual Plate Check Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Stainless Or Alloy Steel  
Application : Water Fitting

## Single Plate Check Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Stainless Steel  
Color : Silver

# Our Products

## Swing Check Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Stainless Or Alloy Steel  
Automatic Grade : Automatic

## Bag Filters

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Type : Bag Filters  
Material : Stainless Steel

## T Type Strainer

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Appearance : Antique  
Valve Type : T Type

## Butterfly Valves

Business Type : Manufacturer, Supplier  
Country of Origin : India  
Material : Stainless Steel  
Color : Blue

## Knife Edge Gate Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Stainless Steel  
Color : Blue

## Globe Valves

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Bolted Bonnet Cast Carbon, Stainless or Alloy Steel  
Finishing : Polished
