# ABOUT US

Incorporated in the year 2020, we, Surya Elastic, are an emerging business entity based in Kanpur (Uttar Pradesh). We are in the business of manufacturing, exporting, and supplying a qualitative range of elastic tapes including crochet elastic tapes, knitted elastic tapes, etc. We manufacture these elastic tapes for catering to the demands of the garment industry, hospital supplies manufacturing companies, stationery products manufacturing companies, sports products manufacturing companies, etc. All of our products are produced by using A-1 grade components and sophisticated technology.

As we are a customer-centric organization, we take care of every need and demand of our customers in a proficient manner. We believe in delivering the best quality products to our clients ensuring their complete satisfaction. At Surya Elastic, we work with a team of efficient and passionate professionals. They first understand the individual requirements of our clients and provide the best-suited product range as per their exigency. We have a well-functional infrastructural facility that is equipped with all the necessary amenities and this helps us to meet the increasing market demand.

We have a talented team of quality control specialists who are experienced and well-versed with the latest developments in the industry and do their tasks considering the same. They make sure that all the products

we offer are thoroughly tested on predefined parameters in order to bring a defect-free product range to the market. With their innovative techniques, they keep on adding value to the entire product range. Our elastic tapes are known for their durability, quality, ability to stretch under force, remain firm for a long period, and get back to the original shape upon withdrawal of force, which are fit for multiple applications.

With our superior quality products, principled business policy, advanced production house, on-time product delivery services, wide distribution network, and reasonable pricing strategy we want to win the hearts of our clients across the world.
