

2015

Our polyester  
shawls are of  
various  
categories.

Shawls are an integral part of the winter wear of ladies and men all over India. And Aman Traders manufactures, sells and exports superior quality shawls of various types.

## ABOUT US

Shawls are an integral part of the winter wear of ladies and men all over India. And Aman Traders manufactures, sells and exports superior quality shawls of various types. We are the most renowned of all manufacturers based in Budaun, Uttar Pradesh. Since 2015 we have been in the business, supplying the best the world over.

Our shawls have been internationally accepted, because of the superior grade in terms of material, quality and finish. We have become a trusted name in every household that has cared to embrace us in the form of our shawls.

Our polyester shawls are of various categories. We manufacture embroidered, handspun and kalamkari shawls. Our range also includes the world-famous pashmina, Resham and zari Tilla shawls. With such a huge variety of exclusive shawls, we have become the top suppliers globally.

Our shawls are made from the finest base products that are guaranteed to be long-lasting and colourfast. Where design, pattern, colour combination, texture and print are concerned, we are the leaders. And we believe that seeing is believing. So you will have to come to our base to have a look at our display. It will leave you mesmerized.

One look at the shawls will have you swooning over them. You will want to be a proud owner of one of our famed pieces. So you can order one and become a part of the family at Aman Traders.
