We are an authorized dealer of metal pipes, metal purlins, color-coated sheets, GI hollow sections, mild steel chequered plates, mild steel hollow sections, mild steel plates, etc.

# ABOUT US

Established in the year 1999 in Visakhapatnam (Andhra Pradesh), KABRA Steel Tubes Company is a leading supplier and trader of various metal products in India. We are an authorized dealer of metal pipes, metal purlins, color-coated sheets, GI hollow sections, mild steel chequered plates, mild steel hollow sections, mild steel plates, etc.

We are in this business for 23 years and are proud of the products and the services that we provide to our customers. We have extensive expertise in catering to the specific industrial requirements of our customers across India. We are associated with some reputed and reliable manufacturers/vendors in the market from where we source our products. We ensure that the products we procure from our associated vendors are manufactured in compliance with the latest industry trends and international quality standards.

Our stockyard is filled with adequate stocks all the time and is fully equipped with modern technology and overhead cranes to fulfill the urgent and bulk requirements of our customers in a

proper manner. Furthermore, we are fortunate enough to have highly experienced technical manpower that helps us in catering to our customers uninterruptedly and making timely deliveries. Each of our employees works hard to maintain the company's remarkable position in this domain.

We would admire your kind cooperation to allow us to prove our ability by supplying you with the optimum quality products according to your requirements for your existing and upcoming projects at a competitive price range within a specified time frame.
