## Who We are ?

We are the 3rd Generation in Agrilture Farming Business. We have been doing Chemical Free Farming / Organic Farming since 1965. Chemical Free Farming / Organic Farming is our Passion and also our Hobby.

Our all Generation was Graduate in B.sc with Agriculture and Botany .In Gujarat governmentt 52.3 Million Farmers are registered. Only 316 Farmers are Organic Certified and we are one them. Our Farm is 100% Organic Certified for Moringa Olifera. Proudly Say that We are only one in Gujarat for Organic Certified Farmer. Our Farm is APEDA -NPOP Certified Farm.

We Believe in Positive Result after use (Consuming) of our all products. The purpose of production of each of our all products are only to get you 100% positive results. We pray to God for your Happiness, Prosperity and Good Health .
