# VRS Laboratory

**MANUFACTURERS, EXPORTERS, WHOLESALE, RETAILER**

located at Navsari; Gujarat (India), was established in the year 2001. Under the able guidance of Mr. Vaibhav A. Jhaveri, the Proprietor; the company has made immense progress in the industry.

# ABOUT US

**VRS Laboratory**

VRS Laboratory, located at Navsari; Gujarat (India), was established in the year 2001. Under the able guidance of Mr. Vaibhav A. Jhaveri, the Proprietor; the company has made immense progress in the industry.

## Infrastructure

Our excellent state-of-the-art infrastructure is set up to produce international quality products. We have the facility to melt Iridium metal beyond 2500 degree centigrade and can produce iridium melt, sheets, rod, pellets, disks and articles. Within India, this facility is available only with us as others who claim to be manufacturers actually buy these products from us.

## Team

The company's founder member Shree Arunkant Manilal has been dealing in Platinum Laboratory Wares Since 1972.

We are research-oriented, familiar with the vital requirements for the accuracy, purity and quality of the material to be employed. We now produce Platinum Laboratory Ware for the testing & research laboratory and laboratory attached with the steel plants, power plants and research institutions

## Quality Maintenance

At our laboratory, we refine all Precious Group Metals to purity level 99.99% and also manufacture Salts and Catalyst, hence recycling old platinum lab wares into new at nominal charges. We manufacture Stabilized Zirconia powders, Activated alumina for catalyst base, Niobium oxide, and heat treatable copper alloy like copper chromium of 1% and 10% while following industry standards.

## Platinum Crucibles

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Type : Platinum Crucibles
- > Material : Platinum
- > Diameter : 20-40mm
- > Shape : Rectangular, Round
- > Use : Heating Chemical Compounds
- > Color : Silver

## Platinum Dishes

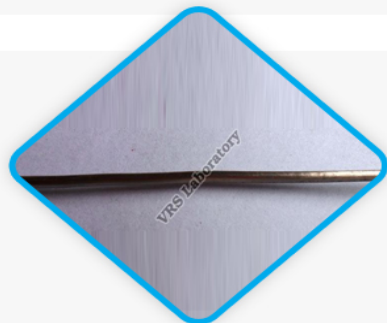

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Size : 10inch, 11inch, 6inch
- > Shape : Oval, Rectangular
- > Weight : 0-100gm
- > Color : Silver
- > Feature : Heat Resistant, Long Life, Modern
- > Appearance : Classic

## Platinum Wires

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Type : Platinum Wire
- > Thickness : 0-5mm
- > Application : Making Jewellery, Manufacturing Units
- > Color : Silver
- > Condition : New
- > Features : Corrosion Resistance, Long Life

## Platinum Rods

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Type : Platinum Rods
- > Material : Platinum
- > Thickness : 0-10mm, 10-20mm
- > Length : 1Ft, 2Ft
- > Color: Shiny Silver
- > Condition : New

## Platinum Foils

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Type : Platinum Foil
- > Material : Platinum
- > Use : Food Wrapping, Household Use, Industrial
- > Thickness : 0.5-1mm
- > Color: Metallic, Silver
- > Feature : Durable, Eco Friendly, Fine Finished

### Platinum Parting Tray

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Size : 10x10Inch, 12x12Inch, 14x14Inch
- > Type : Trays
- > Shape : Rectangular, Round
- > Use : Egg Packing, Freezing Ice
- > Certification : ISO 9001:2008 Certified
- > Color: Off White

### Platinum Sputtering Target

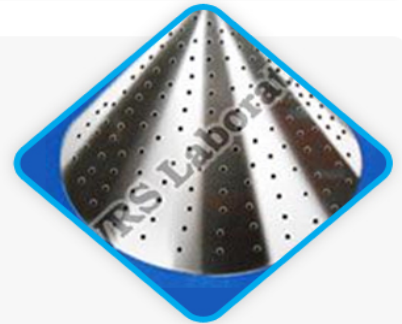

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Type : Sputtering Target
- > Material : Platinum
- > Shape : Round
- > Color: Gray
- > Purity : 99%
- > Feature : Easy To Use

### Platinum Filter Cones

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Micron Ratings : 130 Micron
- > Usage/Application : Water Filter
- > Max. Operating Pressure : 198kpa
- > Flow Rate : 1000L/Min
- > Automation Grade : Automatic
- > Temperature : 0 to 35 Degree Celsius

### Platinum Spatula

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Material : Platinum
- > Size : 6", 8", 11"
- > Color : BLACK
- > Usage : Home, Restaurant
- > Surface : Polished
- > Thickness : 1-5 mm

### Platinum Spoons

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Available Diameter : 19 to 76 mm
- > Available Sizes : 1-250 ml
- > Available Length : 43 to 121 mm
- > Available Height : 9 to 43 mm
- > Material : Platinum
- > Size : Available in different sizes

### Platinum Triangles

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Color : Silver
- > Welded ends : Yes
- > Twisted ends : Yes
- > Holding crucibles : Yes
- > Usage : Industrial
- > Physical State : solid, Powder, Granules

### Platinum Combustion Boat

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Type : Combustion Boat
- > Color : Multicolor, Pink
- > Condition : New
- > Surface Finishing : Coated
- > Features : Balance Maintained, Eco Friendly
- > Appearance : Antique

### Platinum Fluorometry Dishes

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Application : Chemical Laboratory
- > Material : Glass
- > Nominal Capacity : 20-200 ml
- > Sterile : Yes
- > Quantity Per Pack : 10
- > Diameter : 90mm

### Platinum Tipped Tong

#### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Packing Type : Carton Box
- > Usage/Application : Laboratory
- > Material : Stainless Steel
- > Finishing : Polished
- > Is It Portable : Yes

### Platinum Bushings

#### SPECIFICATIONS

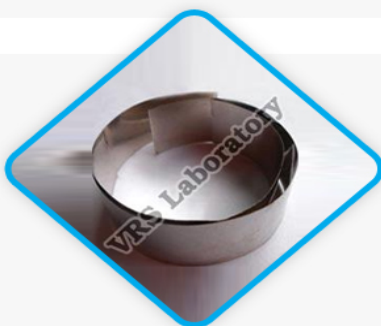

- > Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- > Type : Bushings
- > Material : Platinum
- > Shape : Round
- > Thickness : 10-12mm
- > Application : Actuator, Air
- > Color: Silver

## Platinum Heater Coils

### SPECIFICATIONS

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Application : Heaters
- Power Source : Electricity
- Material : Aluminium
- Packaging Type : Box
- Voltage : 230V
- Surface Finish : Polished

## Platinum Heater Strip

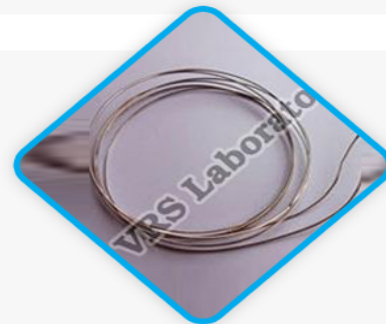

### SPECIFICATIONS

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Heater Type : Strip Heater
- Power : 2KW
- Voltage : 220-240V
- Phase : Single
- Material : Porcelain
- Width : 15-20 mm

## Platinum Thermocouple Wires

### SPECIFICATIONS

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Type : Platinum Wire
- Thickness : 0-5mm
- Application : Manufacturing Units
- Color : Silver
- Condition : New
- Features : Long Life

## Platinum Thimble

### SPECIFICATIONS

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Type : Thimbles
- Material : Platinum
- Color : Silver
- Condition : New
- Finishing : Polished
- Packaging Type : Carton

## Iridium Disk

### SPECIFICATIONS

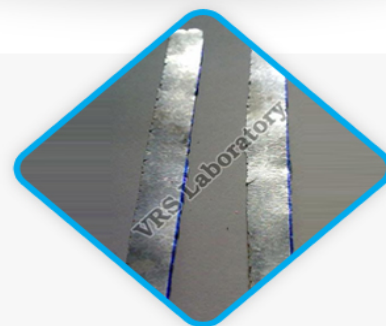

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Molecular Weight : 192.22
- Appearance : Gray
- Melting Point : 2410 °C
- Boiling Point : 4130 °C
- Electronegativity : 2.2 Paulings
- Young's Modulus : 528 GPa

## Iridium Strips

### SPECIFICATIONS

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Thickness : 0.07 mm to 0.50 mm
- Usage : Home Kitchen, Office Use, Shower Curtain
- Packaging Type : Roll
- Material : PVC
- Width : 36", 54", 72"
- Color : Silver

## Natural Iridium Pellets

### SPECIFICATIONS

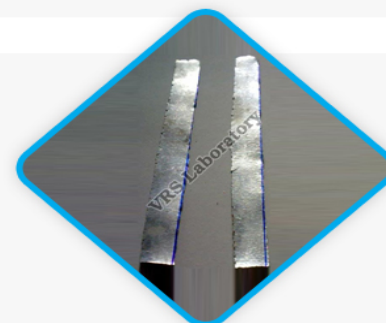

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Nitrogen : 1% - 4%
- Use : Filling
- Grade Standard : Analytical Grade
- Physical State : Granules
- Usage : Commercial
- Packaging Size : 50 Kg

## Iridium Foils

### SPECIFICATIONS

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Color : Metallic
- Feature : Good Quality
- Width : 10-15 Inch
- Packaging Type : Box
- State : Solid

## Iridium Wires

### SPECIFICATIONS

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Appearance : Off White
- Calcium Stearate : High
- Solubility in Water : In-Soluble
- Loss in Drying at 110°C : 0.5% to 1.0%
- Form : Powder
- Color : Brown

## Precious Metal Salts

### SPECIFICATIONS

- Business Type : Manufacturer, Exporter, Supplier, Retailer, Wholesaler
- Purity : 97%
- Assay : 99.0-101.0% Min
- Physical State : Powder, Granules
- Usage : Industrial, Laboratory
- Grade Standard : Reagent Grade, Bio-Tech Grade
- Sulfate SO4 : 0.05% Max
