

GENUINE ELECTRICALS

Genuine Electricals is prominent Importer and Supplier of optimum quality Electrical Products. The wide range of products, offered by us, chiefly comprises of Special Lamps, Fluorescent Lamps & Tubes, Operation Theatre Lights, Infrared & Ceramic Heaters, Ultraviolet Torches and many other.

COMPANY PROFILE

GENUINE ELECTRICALS is a prominent Importer and Supplier of high quality Electrical Products. Established in the year 2002, the company is located at Mumbai, Maharashtra. Under the leadership of Mr. Hitesh M Shah, the CEO of the company, we have established an eminent position for ourselves in the Indian market. Owing to his vast knowledge and market experience, we remain ahead of our competitors.

The wide range of products, offered by us, chiefly comprises of Electrical Lamps, Ultra Violet Tubes, Philips Ballasts, Colored Tube Lights, Medical Lamp Holders Short Wave Infrared Heater, Biomedical Lamps and UV Trans illuminator Spare Parts. We procure these Electrical Products only from the reputed manufacturing companies. The Electrical Products, offered by us, comply with the universally accepted quality standards.

Adopting ethical business practices, our company has carved a niche as one of the trustworthy Electrical Products Suppliers in Mumbai. We also provide Wholesale Contemporary Lamps at the most beneficial deals. Our Electrical Products are widely demanded in sectors like Chemical, Water Purification, Research, Pharmaceutical Industries, etc. We are reckoned to provide complete satisfaction to the clients by catering to their expectations with perfection.

To store our vermicompost in a safe and secure manner, we have maintained a highly developed warehouse in Kheda. Our warehouse is divided into many sections which help us in storing our products easily.

QUALITY ASSURANCE

Owing to the priority to serve quality products, we source the Electrical Products from reliable vendors. For fuller assurance of the quality, the Electrical Products are checked, on various quality parameters, under the supervision of our experts. These quality checks help us in providing Electrical Products with zero manufacturing defects.
