Year of  
Establishment  
**2002**

**Importer  
& Supplier**

Genuine Electricals is a prominent Importer and Supplier of high quality Electrical Products. Established in the year 2002, the company is located at Mumbai, Maharashtra. Under the leadership of Mr. Hitesh M Shah, the CEO of the company, we have established an eminent position for ourselves in the Indian market. Owing to his vast knowledge and market experience, we remain ahead of our competitors.

The wide range of products, offered by us, chiefly comprises of Electrical Lamps, Ultra Violet Tubes, Philips Ballasts, Colored Tube Lights, Medical Lamp Holders Short Wave Infrared Heater, Biomedical Lamps and UV Trans illuminator Spare Parts. We procure these Electrical Products only from the reputed manufacturing companies. The Electrical Products, offered by us, comply with the universally accepted quality standards.

Adopting ethical business practices, our company has carved a niche as one of the trustworthy Electrical Products Suppliers in Mumbai. We also provide Wholesale Contemporary Lamps at the most beneficial deals. Our Electrical Products are widely demanded in sectors like Chemical, Water Purification, Research, Pharmaceutical Industries, etc. We are reckoned to provide complete satisfaction to the clients by catering to their expectations with perfection.

### Quality Assurance

Owing to the priority to serve quality products, we source the Electrical Products from reliable vendors. For fuller assurance of the quality, the Electrical Products are checked, on various quality parameters, under the supervision of our experts. These quality checks help us in providing Electrical Products with zero manufacturing defects.

### Network

We have a huge and well-established business network that is widely spread in different regions of the globe. The network is well-supported with proper logistics facilities that assist in importing the Electrical Products from the vendors based in Japan, Belgium, Holland, Germany, etc. Moreover, our strong networking has played a vital role in increasing our clientele in India.

### Client Satisfaction

By rendering quality products and prompt services, the company has ascertained huge clientele in the regions of India. The clientele is increasing day-by-day that reflects the genuineness of the products and our credibility. We also strive to maintain long-term association with our esteemed clients and work in close coordination to attain their complete satisfaction.
