Manufacturer and Supplier

About Us

Akshar Brass Industries is a renowned manufacturer and supplier of quality brass products. The company was set up in the year 1995 and based in Jamnagar, Gujarat, India. It is one of the fastest-growing firms with highly motivated experts. The company is having world-class manufacturing services equipped with high-tech machinery.

Our specialization

The company has specialization in Brass Piping & Sanitary Fittings, Brass Ball Valves, Brass Nuts and Bolts, Brass Tee, Brass Hex Nipple, Brass Elbow, Brass Extrusion Rods, Brass Knobs and Waterproof Industrial Plug and Sockets. All the products manufactured by us promise great quality.

Focused on Quality

Akshar Brass Industries are a quality conscious and practice-driven company with zero tolerance towards quality standards. Independent as well as dedicated teams work according to the faster delivery of the products and services to our clients. We are supplying brass products to different industries and making delivery all over India.

Our infrastructure

We have constructed a massive and spacious warehousing facility with an outstanding inventory management system that is flawlessly managed by our warehousing team. The team is professionally trained according to the industry standard and uses specific methods to manage unambiguous material.

Under the guidance and leadership of, "Bhargav Sanghani (Manager), we have already left a permanent impression in the industry. With their constant efforts along with the support of a team of skilled inspectors & engineers, our company can achieve the objective.
