ABOUT US

We wish to introduce ourselves as an BIS approved (ISI marked) ISO-9001-2015 & ISO-14001-2015 certified company engaged in the manufacture of Power & Distribution transformers conforming to ISS. Amson Transformers is a Mohali, Punjab based company established 33 Years back.

We are registered with M/s Bureau of Indian Standards to use ISI mark on our transformers and manufacture ISI Marked Transformers of various Energy Efficiency Level conforming to IS 1180 (Part-1) 2014. We are also registered with M/s Bureau of Energy Efficiency and are manufacturing Star rated transformers and are type tested at CPRI/ERDA/National Test House.

Our organization has been promoted by Er. M.S. Ahuja, who has more than five decades of experience in Transformer sector and holds expertise in this domain. His experience includes 1 ½ years of specialized training in Germany in design and production of transformers. Further, his ethical business policies have enabled us to garner a huge client base. The R & D and design department is headed by foreign (U.K.) educated engineers whose knowledge and skills play a pivotal role in our company.

Distribution Transformer with OLTC

PRODUCT RANGE

- | | |
|--|--|
| 1. Distribution Transformers | 6.3KVA to 10000 KVA, 11KV, 22KV &33KV Class |
| 2. Distribution Transformers with OLTC | 500 KVA to 10000 KVA, 11KV, 22KV &33KV Class |
| 3. Furnace Transformers | 500KVA to 10000 KVA, 11KV, 22KV &33KV Class |
| 4. Dry type Transformers | 100 KVA to 1000 KVA, 11KV Class |
| 5. Auto Transformers | 6.3KVA to 3150 KVA, 11KV, 22KV &33KV Class |
| 6. Inverter Duty Transformers | 200 KVA to 5000 KVA, 11,22 &33 KV class |
| 7. Tunnel Transformer | 200-1000 KVA (As per customer requirement) |
| 8. Booster Transformer | |
| 9. Compact Sub Station | |
| 10. HT & LT Control Panels with customised design (As per customer requirement) | |
| 11. Special purpose transformers: Any kind of step up / down transformers for LT / HT Supply | |

Our Motto

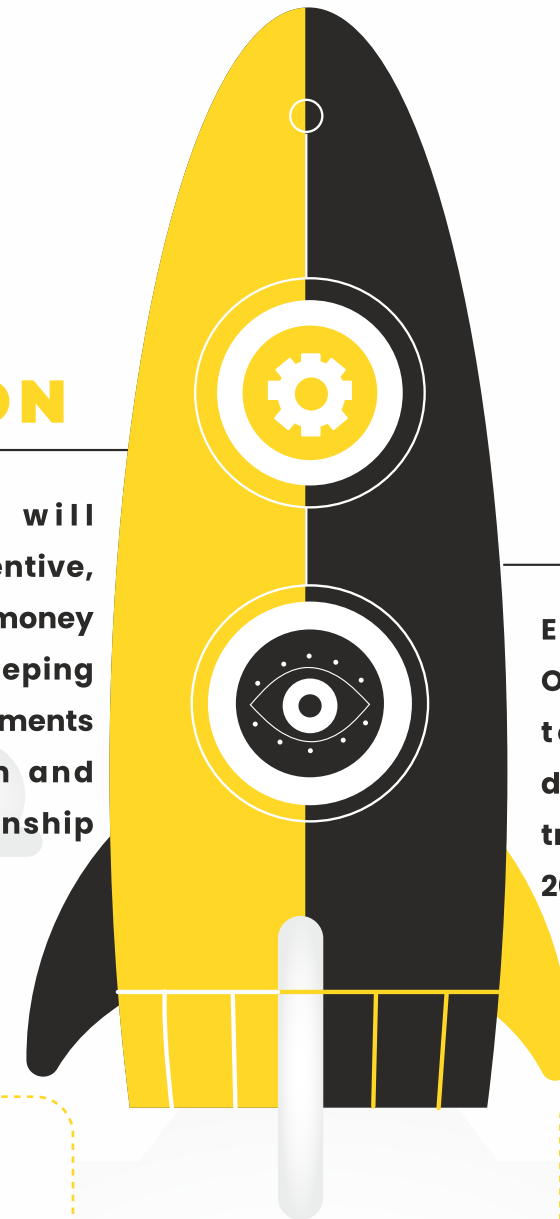

Assured Quality, Prompt Deliver and Reliable Service

MISSION

Amson Transformers will go all out to provide inventive, up to date and value for money products and services keeping in line with customer requirements and establish long term and strong customer relationship

VISION

Established in the year 1989, Our Vision is to be among the top Five manufacturers of distribution and power transformers in the country by 2035 and to diversify the products

Hermetically Sealed Corrugated Type Transformer

Compact Sub-Station (CSS)

Our Services:

Transformer Manufacturing

Compact Substation (CSS)
