ABOUT US

INDIA TRADE NETWORKS

Connecting markets globally....

Established in the year 2012, India Trade Networks is a renowned exporting firm set up specifically to help and support companies that are either already occupied in or contemplating trading commodities globally. With our experience, expertise, and knowledge, we assist several companies to export a diverse range of products to a wide choice of international markets.

Our Products

India Trade Networks also pride us on our ability to develop and keep long-term clients. We are a wide range of products constituting Flattened Rice, Wooden Plywood, Corrugated boxes, Peanuts, and Cashew Kernels.

Our Target Market

Our goal is to export products globally and supply quality products to UAE, USA, Oman, UK, Canada, Japan, Australia, Germany, Scandinavian Countries, France, and Switzerland. We strive to be personable, and approachable and keep personal constancy wherever possible.

Approach

- ✓ India Trade Networks work with a flexible and adaptable approach to work in a manner that best suits each person client. We aimed to maintain high standards of quality, value, and professionalism so that clients continuously use our services. We are aimed to work proactively with our clients at all times to get their business goals.
- ✓ Based in Dakshina Kannada, Karnataka (India), India Trade Networks works under the expert guidance of our Proprietor Mr. K Prapanna Arya. He has an outstanding understanding of the client's needs and provisions. Our mentor has years of understanding of this arena.
